		Institutional Development Plan	Amity University Rajasthan (AUR) is committed to academic excellence and holistic student development through a strategic Institutional Development Plan aligned with NEP 2020. The university has implemented NEP 2020 in undergraduate programs by integrating a multidisciplinary approach, skill-based learning, and flexible curricula to enhance employability. Industry collaboration is a key focus, fostering partnerships in Research & Development, consultancy, and corporate training. The Amity Innovation Incubator plays a pivotal role in nurturing entrepreneurial talent through its "Vision to Venture" initiative, providing mentorship, funding, and incubation support. To ensure continuous quality enhancement, the Internal Quality Assurance Cell (IQAC) conducts an Academic and Administrative Audit (AAA) of all departments, evaluating teaching and non-teaching effectiveness. Additionally, domain experts design and introduce industry-relevant certification courses to equip students with advanced skills, making them future-ready. Faculty development is a priority at AUR, with the university actively encouraging faculty members to organize and participate in Faculty Development Programs (FDPs) to enhance teaching methodologies and academic delivery. Through these initiatives, AUR aims to strengthen its academic ecosystem, promote innovation, and prepare students for leadership roles in the evolving global landscape.
