1.6 NATIONAL & INTERNATIONAL COLLABORATIONS

AUR, in the Academic Year 2022-2023, have entered into MoUs and Agreements with National and International agencies and Universities which include:

- Association of Indian French Professions and Researchers, Pondicherry.
- India Meteorological Department, Ministry of Earth Sciences, Government of India.
- AVANS+ University of Applied Sciences, Netherlands.
- Strategic Educational Professionals Private Limited (SEPPL), a company established by the Association of Chartered Certified Accountants (ACCA).

1.7 BEST PRACTICES

AUR has implemented many best practices to transform and empower students from a variety of backgrounds. Practices such as learning through experience, Talks by Experts, Mentoring and Counselling, Internal Quality Assurance Cell activities, Value Added Courses and Outcome-Based Education, to name a few.

- **Industry Advisory Council for Curriculum Upgradation** – University has implemented the concept of industry integration by constituting department specific industry Advisory Councils (IAC) under which domain experts are providing their inputs on existing programmes and ongoing R & D activities. The council also shares industry insight exposures which will be very useful for departments to design and develop curriculum in line with industrial needs and produce future ready professionals. In very first, departments incorporate expert views in credit restructuring & amends some new/ need based courses and upgrade their programmes. The university institutionalized this concept in its practices which successfully gives multiple mileage in programme development, R & D delivery, and student progression.
- **Activity Based Teaching Learning & Evaluation** - University ensures to deliver quality in teaching learning & evaluation for which we have institutionalized lots of

global/national practices to produce future ready professionals. Besides implementing concept of fifty percent continuous evaluation across the university we have inducted practices to provide multiple evaluation tools like peer presentation, case studies & flip classes which creates vibrant platform and provide opportunity among students. Students have also been allotted domain specific problems for which a group works under the allotted faculty mentors and present in a form of case to panel of experts. Evaluation of foreign language is done in continuous mode (100%) as it is skill enhancement categories. Faculty members are designing vibrant teaching learning evaluation plan for ongoing semesters instead of frequent conduction of classroom test.

- **Non-Credit Value-Added Courses** - For holistic development of students, university has designed skill and capacity building courses which are non-credit and optional, floated among the students with the aim to develop industry ready global professionals. AUR has setup department-wise Industry Advisory Council with an objective to establish interface between industry and academia to assure very strong industry engagement. Amity Innovation Incubator has also been established and is fully operational to develop innovation and entrepreneurship.
- **Societal Connect** - University is committed towards the betterment of society by connecting the students with several programmes under 'Societal Connect'. Under this initiative, various activities are organized by NSS, NCC, Aanandam- Government of Rajasthan, Unnat Bharat Abhiyan, Gender Cell, Yunus Social Business Cell (YSBC), facilitating campus community connect and holistic development of the students. This initiative inculcates human values and contributes towards the betterment of society to prepare future-ready professionals for nation-building activities.

Aside from these, AUR also instills environmental awareness and responsibility in students. To make the campus environment-friendly, the AUR has water harvesting lake and has Sewerage Treatment Plant for using recycled water for Irrigation. The AUR also has a 1MW Solar Park for energy generation and thus promotes renewable energy usage.

Domain experts of the department have gone through on-going programmes and redesign their Programme Outcomes and Course Outcomes in line with university vision and mission. Departments have inculcated outcome-based education, attainment of courses among its faculty members where each course is explained in detail including teaching pedagogy, assessment design and required rubrics.

1.8 GRADUATES OF THE YEAR

Scholarships

Amity has always been driven by the vision of Dr. Ashok K. Chauhan to develop and groom the next generation of leadership in organisations, communities and society at large. To achieve the vision, the Amity scholarships were instituted to help those who excel in academics and deserve world class education but don't have the means.

At Amity, we believe in rewarding the hard work and excellence achieved by meritorious students in their academic endeavors. Amity Scholarships have been introduced to encourage the talents of such students, thereby strengthening the foundation of our future generation, a small step towards the collective goal of making India the knowledge superpower of the world.

The Regulations on Scholarships, Awards, and Medals & Special awards have been issued under which the following diverse scholarships are offered to the students:

5.1 ON ADMISSION MERIT-SCHOLARSHIP

The University provides scholarships while inviting applications for admission from the meritorious candidates to a program after passing 10+2, Graduation or such other qualifying examinations prescribed by the University.

5.2 MERIT-SCHOLARSHIP: DURING A PROGRAM

In order to encourage the students to achieve higher performance during their studies in an academic program, the University offers merit scholarships to students in recognition of their academic achievements in the concerned program of study. These Scholarships are awarded at the end of first year on the declaration of the first-year result and renewed each year thereafter on the basis of academic performance at the end of each academic year.

5.3 MERIT-CUM-MEANS SCHOLARSHIP

The University has also instituted the Merit-Cum-Means (MCM) Scholarships for deserving students who are academically good and need financial assistance to pursue their studies at the University. These scholarships are granted for the first year of a program and are reviewed each year.

5.4 DR. ASHOK K. CHAUHAN SCHOLARSHIP

Our founder president is a man with great vision and a will made of steel. From the beginning he converted his youth into his strength, coupled with his mature perception, a native tenacity and extremely industrious nature. Success followed his footsteps as he heralded a new era in the field of education.

This same vision has led him to promote meritorious students by giving them scholarships. The Dr. Ashok K Chauhan' 100% Scholarship is awarded to the meritorious student of each program. The scholarships have been very aptly named after the Hon'ble Founder president.

In the Academic Session 2022-23, 53 students were awarded the Dr. Ashok K Chauhan 100% Scholarships. Their names are as under:

6.2 COURSE PREPAREDNESS OF FACULTY

University's Quest for Excellence, desire to bring global trends in the curricula and extensive use of IT enabled teaching and learning practices, has resulted in preparing students with well-honed skills compatible with the Global Market.

At Amity, Quality Teaching is fostered with the use of innovative pedagogical techniques to produce learning outcomes for students. It involves several dimensions, like the effective design of curriculum and course content, a variety of learning contexts (including guided independent study, project-based learning, collaborative learning, experimentation, etc.), soliciting and using feedback, and effective assessment of learning outcomes. It also involves well-adapted learning environments and student support services.

Fostering quality teaching is a multi-level endeavor at Amity. Support for quality teaching is practiced and monitored at three interdependent levels:

- Individual level: including initiatives that help teachers achieve their mission, encouraging them to innovate and to support improvements in student learning and adopt a learner-oriented focus.
- Program level: comprising actions to measure and enhance the design, content and delivery of the programs within a department or a school.
- At the Institution level: including projects such as policy design, and support to organisation and internal quality assurance systems.

Amity prepares students for entry to an environment that is characterised by greater uncertainty, speed, risk, complexity and interdisciplinary working and equip them with appropriate skills, knowledge, values and attributes to thrive in it. There is a strong drive to build and create knowledge together with an understanding of working life and reformulate the concept of knowledge in learning situations. Strong connections with working life through different academic projects provide authentic opportunities to learn both generic and professional competencies as well as to build networks and pathways for employment after graduation.

The salient points of the pedagogy are:

1. Detailed Course Delivery Plan

- a. Learning objectives of the course.
 - b. Continuous assessment scheme, i.e. components, schedule and feedback.
 - c. Common thread through the course objectives, syllabus, pedagogy and the assessment scheme.
 - d. Listing topic wise allocation of sessions.
 - e. List of text and references (numbers and quality).
2. Power Point Presentations for all the sessions (1 credit course requires 10-12 hours of teaching and for one-hour teaching, ideally 6-8 slides).
3. Other Teaching Material
 - a. Teaching notes and material in addition to the prescribed text.
 - b. Guidelines on short projects.
 - c. Write-up on term paper.
 - d. Relevant articles and papers.
 - e. Tutorial sheets, as defined in the program structure.
 - f. Experiments to be carried out in labs, their objectives and methodology.
 - g. Use of videos/ films, including the objective to be achieved.
4. Making the Course Practice Oriented
 - a. Field/industry visits, their planning, objectives and summary report leading to evaluation.
 - b. Projects.
 - c. Case studies and other exercises.
 - d. Guest lectures/panel discussions.
5. General guidelines for students regarding attendance, punctuality, meeting the deadlines, chamber consultation hours, prior self-study to be undertaken etc.
6. Finally, efforts are made to judge how much rigor the course has created for the students. In a professional program, normally the mandate is that a student has to put in 2-3 hours of self-study for each hour of classroom teaching.

6.3 SYSTEM OF EDUCATION

Semester System

Amity University follows a semester system, which is in conformity with the global practices and standards. The Course curriculum of one year is taught in two semesters, i.e. 17-18 weeks each. The Semester system promotes greater interaction between faculty members and students and permits more meaningful term paper and research assignments.

Grade System

The level of students' academic performance is the aggregate of continuous evaluation & the end term examination and is reflected by letter grades on a Ten Point Scale. Letter grades (A+,

A, A-, B+, B, B-, C+, C, F) have points associated with them in quantified hierarchy and have qualitative meaning. Semester Grade Point Average (SGPA) & Cumulative Grade Point Average (CGPA) are calculated based on the students' performance in Semester(s) & overall performance, respectively.

Amity University follows Absolute Grading as well as Relative Grading depending upon the strength of students in a particular program & batch. Students are required to maintain minimum SGPA & CGPA to pass a semester and promotion to the next semester and qualify for Degree/Diploma.

100% Attendance

Every student in Amity University is required to achieve 100% attendance in all the Lectures, Tutorials and Practicals and Seminars arranged for the respective course during the semester. However, a relaxation up to a maximum of 25% is granted in case of contingencies. A minimum of 75% attendance is required to appear in the examinations. 100% attendance criteria ensure academic excellence, disciplinary approach and growth of the student.

Internal Evaluation System

The scheme of examinations & evaluation is one of the most important components of judging the academic performance and development of the students. Therefore, in Amity, the students are assessed at regular intervals. 50% weightage is given to continuous/internal assessment in a semester wherein 3-4 evaluation components with weightages are defined. It covers Class Test, Viva, Quiz, Case Discussion /Presentation /Analysis, Home Assignment, Project, Seminar, Term Paper, Attendance etc.

6.4 CURRICULA & SYLLABI

The detailed course curriculum of all the programs in Amity University is reviewed at regular intervals as per the industry requirements. For this, many points are considered such as feedback reports on the placements, employability of the passed-out students, latest developments in the technology, statutory compliances of various bodies, etc. The course syllabus is first examined and evaluated by an expert committee which is then reviewed by the Board of Studies of the institution for recommendations to the Academic Council for approval.

The Program Structure is prepared for each Program that includes a semester-wise course (core and electives) to be taught, any internship to be undergone, project/dissertation as per requirement of the program curricula. Each course contains details of the course code, classroom hours, practical/lab classes, tutorials, self-study hours and credit units.

The credit units attached to each course are defined in terms of contact hours, i.e. Lectures (L), Tutorials (T) and Practicals (P). Towards earning credits in terms of contact hours, 1 lecture and 1 tutorial per week are rated as 1 credit each and 2 practical hours per week are rated as 1 credit. In a full-time degree Program, a student is required to earn on an average 25-30 credit units per semester. The credit units attached to Summer Internship/Training (8-10 weeks), fieldwork etc. are included in this total.

As a mandatory requirement, 'Boards of Studies' are constituted for each Institution after approval of the President for the structuring of Academic Programs, viz. framing of Curricula, Syllabi, and Scheme of Evaluation, etc. The Various Boards of Studies hold their meetings and

after rigorous scrutiny, the course structure and curricula of the Academic Programs offered are implemented with the approval of the Academic Council.

6.5 CHOICE BASED CREDIT SYSTEM

In accordance with the guidelines of the University Grants Commission, Amity University has implemented the Choice Based Credit System (CBCS) Programme in which the students have a choice to choose from the prescribed courses, across the courses being offered by the University, which are referred as core, elective or minor and they can learn at their own pace and the entire assessment is graded-based on a credit system.

The basic idea is to look into the needs of the students with the aim to keep themselves up-to-date with development of higher education in India and abroad. CBCS aims to redefine the curriculum keeping pace with the liberalisation and globalisation in education. CBCS allows students an easy mode of mobility to various educational institutions spread across the world along with the facility of transfer of credits earned by students.

6.6 ACADEMIC CHANGES DURING THE YEAR

Programme Review & Credit restructuring- Departments have organized Board of Studies (BoS) and Industry advisory board (IAB) meetings and taken domain related updates which they further incorporated in the ongoing programmes and restructured credits. We have harvested some time by above credit restructuring and utilized in organizing co-curricular activities. University has ensured programme upgradation in line with industrial requirement to prepare future ready students.

6.7 MONTHLY STRUCTURED MEETINGS

With an aim to build a sense of community and engage all stakeholders in decision making, as well as to improve the governance of various facts of academics & administration, structured meetings are being organized every month with stakeholders as below:

- I. Meeting with Teaching HOIs - Every first Thursday of Month - To discuss/resolve the issues and strengthening of the Academics Matters.
- II. Meeting with Non-Teaching HODs - Every second Thursday of Month - To discuss/resolve the issues related to general administration and other non-academics issues.
- III. Meeting with Students Representatives - Every third Thursday of Month - To discuss/resolve the issues of students related to academics and infrastructure facilities including mess, sports, extra curriculum activities etc.

**AMITY
SKILLS**

Amity has always enjoyed special preference of Indian as well as foreign recruiters on account of its students' excellent performance sustained over a long period of time and its strong brand image. To remain competitive in today's world, being adept in one area will not suffice. One has to be familiar with other domains too. Amity's has a multi-faceted association with over 50 TOP Companies and is constantly involved in bringing reforms in regular course curriculum updating to meet the requirements of the environment. Notwithstanding these steps, industry participation has been made an integral part of the Board of Studies. Inviting Guest Lectures to polish their soft skills, organise summer internships and projects makes us different and unique from others.

At present there is a great demand for knowledgeable, talented and devoted people in the market. The Corporate Resource Centre (CRC) at AUR, Jaipur is in place with the aim of guiding and helping the students to get deserving placements in the required field. CRC provides placement assistance to the students of technical programs of all Amity Institutions. The Corporate Resource Center is a unique concept and one of its kind in India in bringing the Industry and Academia close to each other and provides need-based education and organization support. It has the task to organize in-campus interviews for student placement and training.

CRC organizes corporate guests lectures and industry interaction. The CRC's goal is to make every student of Amity a success story by helping them become ethical leaders who can manage and lead change across diverse organizations. It works with the students to make them Industry fit and Industry relevant. The CRC is manned by professionals from the corporate world who bring with them rich Industry experience. This helps them understand Industry requirements in terms of skill sets and attributes.

The ability of Amity students to think out of the box solutions for uncommon problems makes them ideal for such industries. Over the years, the market for the Institute's students has remained bullish, as freshly placed recruits continue to deliver on their promises and satisfy their employers.

Amity University, Jaipur has a very strong Corporate Resource Centre, which works round the year for:

ALUMNI SPEAK

Alumni are the best brand ambassadors for any educational institution. On that count, Amity is fortunate to have some of the most effective brand ambassadors.

Amity has an ever-growing base who are currently pursuing fast track careers with blue-chip companies in India and abroad. Their success in corporate arena is an eloquent testimony to their skills, ability and hard work, as well as to the quality and rigor of business education at Amity University Rajasthan.

I have completed my Master of Business Administration from Amity University Rajasthan. Amity has been a great contributor to the development of my personality. The entire faculty of Amity Business School department left no stone unturned to strengthen and help me achieve this success at the starting point of my career. My two years at Amity have been the most wonderful experience where I established my leadership, communication, time management, teamwork skills and have been able to groom myself in an impressive manner. The best thing about Amity Business School is that it not only helps the students to gain knowledge academically but also in a practical manner through various business school events, guest lectures, industrial visits, and the live projects. I would especially like to thank CRC department for helping us throughout the journey of grooming ourselves and paving a path for us through which we were able to choose the best choice for our future. I feel lucky and proud to be a part of Amity University.

Divya Johnson, MBA Finance & Marketing (2018-2020), Client Service Associate, S&P Global

Amity is indeed an abode of amazing learning experiences. Being a part of the university for 2 years, I have groomed myself into a better individual, both academically and personally. My mentors helped me in identifying my strengths and provided ample opportunities to refine my inner self as well. I recommend everyone to be a part of this adventure and enrich yourselves.

Deepanshu Sharma, MA Tourism and Travel Management (2018-2020)
Sales & Business Development Executive, Thrillophilia

I am currently working as PMO ANALYST in Diebold Nixdorf India Private Limited, where I got the opportunity to intern through Corporate Resource Centre and converted into a full-time employee. The university guided me in achieving my career path and groomed me professionally. My experience with Amity University Rajasthan has been great and the same helped me in evolving my career path and overall personality.

Ishita Rao, MBA HR & Marketing (2018-2020), PMO Analyst, Diebold Nixdorf

My journey with Amity University was extremely wholesome along with my experience with CRC. I was given various opportunities to enhance my skills and knowledge with practical experience. Our faculties at CRC have always made extra efforts to provide us with the best internships and made sure that we, as students, get maximum practical exposure. I got the chance to intern with companies like Genesis BCW, Dentsu Aegis Network and am currently working with Deloitte USI. I will always be grateful to my University and faculty members for giving me the stage to grow in such a wonderful way.

Apoorva Sharma, BA Journalism & Mass Communication(2017-2020)
Associate Analyst, Deloitte

ALUMNI SPEAK

I believe that it was a wise decision by me to take admission in Amity University Rajasthan. The campus life in itself was a great 4-year journey. Talking about the faculties, even the highest of the authorities had been always ready to help on grounds to make things go with the flow. The environment-friendly campus has always helped me to focus on healthy living. To all those dreaming of learning with fun and enthusiasm, I would happily recommend the university.

Prayas Mittal, B.Tech CSE (2015-2019), Senior Software Developer, Selekt.in

Amity University has always believed in helping and guiding its students and it was no different during the placement season. My four years at Amity University have been excellent and a memory to cherish for a lifetime. It gave me an opportunity to meet different kind of people and learn a number of things. I have received a great support from faculties and placement cell (CRC). Our placement administration executives guided and encouraged us at each step thereby helping me secure my placement at IBM.

Gadde Venkatalaxmi Sai Durga, B.Tech CSE (2015-2019), Associate System Engineer, IBM

My experience as a student at Amity law school, AUR Jaipur prepared me well for the legal industry by providing the required exposure in the field and legal knowledge. The curriculum prepared me for a demanding career.

Ayushi Raghuvanshi, BA LLB (2015-2020), Intern, FHS Law, Abu Dhabi, UAE

My experience with AUR has been commendable. I have literally grown in that institution as I was a teenager when I joined the university and passed out as a fully matured person. Whatever I am today, AUR has a huge role to play in it, not just professionally but also personally. It has given me a wider perspective in life and meet so many kinds of people from all parts of the country. Every institution has its pros and cons, but we are very critical when we are there in the institution. It is only after we pass out, we realize and appreciate the good things of the institution. So, the overall experience of Amity has been enriching and promising.

Sheetal Chauhan, B.A. LLB (2012-2017), Faculty, Amity University Madhya Pradesh

I am thankful to all the faculty and CRC members of AUR for their continuous efforts and support. Apart from excellent academic experience, I also gained the benefits of being in close contact with my Mentor and Coordinator. I cherish every moment spent at AUR. My graduation (2012- 2016) at AUR has been a very interesting and awesome journey.

Amit Yadav, B.Tech Biotech (2012-2016), Sr Executive, Biological

ALUMNI SPEAK

Today, when I look back at the time I spent at Amity, I can proudly say that it helped me grow and evolve not only professionally, but on a personal level as well. During my time of study at the university, I worked with a diverse peer group of students, with different interests and ambitions in life. With Prof. (Dr.) Jitendra Singh at helm of affairs, and some very learned faculty members to interact with, the environment was highly vibrant and overall a very engaging & stimulating learning experience. In addition to the subject knowledge gained, I was able to acquire and strengthen my interactive skills while at Amity. From being a self-contained teenager, ready to shrink into a shell to becoming a confident individual, I owe a great deal to my Alma Mater. I shall forever be grateful.

Pulkit Mathur, B.Arch (2012-2017), Junior Project Manager, AECOM (Netherlands)

My experience in Amity University was tremendous. I found the course curriculum to be very challenging but rewarding. My degree in BBA LLB provided an ideal blend of practical legal knowledge and perfect business understanding. I had many professors in the college who inspired my best efforts and who helped me influentially to shape my professional life.

Pratham Purwar, BBA LLB (2010-2015), Legal Counsel (APAC), DSV Air and Sea Private Limited

Like every other college aspirant, I joined Amity with hope to achieve good education, but never expected to receive so much in plenty besides unparalleled quality education. When I passed out, not only became an engineer, but was transformed completely into an individual with realistic knowledge, leadership skills and Organizational abilities.

Sumeet Sharma, B.Tech Biotech (2010-2014),
Asst. Manager - Water Treatment & Env. Engg., Organica Biotech

My time at Amity truly changed who I am and who I still want to become professionally and personally. Being a part of the second batch of B.Tech biotechnology at Amity gave me robust confidence. The culture at AUR fostered the sharing of ideas, critical discussions, and collaboration among students and faculty across a wide range of interests. What I loved about the AIB faculty was that they always entertained new ideas no matter where they came from; even if, and especially when, they were challenging to their own work. But I did not only learn from them. I learned equally much from my fellow batch mates of both biotechnology and non-biotechnology background, some of whom have become my forever friends! Currently, I am working as an assistant manager at IQVIA, a global healthcare consulting firm. I am involved in developing strong, innovative, and sustainable solutions against complicated healthcare problems. I can say, without a doubt, that my time at Amity has significantly contributed in making me who I am today.

Divya Vasvani, B.Tech Biotech (2008-2012), Consultant, IQVIA

ALUMNI SPEAK

It gives me great pleasure to say with pride that I have completed my graduation from Amity University Rajasthan. The relationship between faculties and student is very cordial, which gave me an opportunity to excel in my area of interest. Training and placement department continuously providing assistance regarding the placement. I am thankful to Amity for providing me with 100% scholarship for four years for my academic excellence. Being away from Home, Amity was always a second home to us. I feel proud to be a part of such esteemed Amity family. The four years I spent here were splendid and has helped me to grow better professionally & personally. I would like to thank all the faculties and staff for making me a "Better Person". Thank you, Amity University!

Shaik Mohammed Wazid, B. Tech Civil (2012-2016), Risk Investigator, Amazon India

Through this mail, I, Anushree Rastogi student of BCA, take the opportunity to express my gratitude and thanks for the guidance and support bestowed upon me by the faculties of AUR. The faculties have always been there to solve my queries and for motivating me at every step. It is because of the blessings of the faculties that I could qualify in such big companies, viz., CAPGEMINI, DELOITTE and TCS , to start my career with. The 3 year journey in Amity has been wonderful. I am taking along with me a bunch of beautiful memories. The 5 day Military Training Camp (MTC) was a unique experience and I enjoyed it a lot. I am grateful for everything that I have received from the university. Thank you for helping me to become what I am today. It is my privilege that I could complete my graduation from a renowned university like Amity.

Anushree Rastogi, BCA (2014-2017), Software Developer, Deloitte

Shaik Mohammed Wazid, B. Tech Civil (2012-2016), Risk Investigator, Amazon India

Amity provided a wide arena of the field and thus I get to learn something new with every subject. Supportive faculty, beautiful campus, quality education, real world experiences and amazing friends. Its everything one needs from a college and a network developed for life. What amazes me is the plethora of extra curricular activities that the Institute offers hence compelling every student to explore and pursue his/her extra talents. The Institute manages both the areas extremely well and a student always finds himself in a pool of never ending opportunities, be it technical or non-technical.

Raja Jamwal, B. Tech EEE (2012-2016), Software Development Engineer, Mobikon

ALUMNI SPEAK

True to its motto, 'Amity nurtures talent', it provided me a huge platform to transform and hone my skills. I would describe Amity University Rajasthan as a scenic beauty with a plethora of opportunities to help in an all-round development of students. When I reflect on my four years here as a student of B.tech (CSE), I feel grateful to have outstanding mentorship from our Director, Head of Department, Co-ordinator and professors. I conclude that my experience not only inculcated in me essential values and ethics but also prepared me in unpredictable ways for my career.

Iksha Soinha, B. Tech CSE (2014-2018), Software Developer Trainee HSBC Technology

I just want to say about Amity is that here I got a lot of things, achieved a lot of things which I only dreamt of these 3 years of my graduation just passed by like a wind and we went with the flow. The benefits which we got from Amity University Rajasthan is that the faculties are very good and very kind hearted, whenever we face any difficulty they always help us. Also, the placement opportunities for each student of every department is very good, the placement coordinators are very helpful towards us and they give us proper guidance on our careers. At-last, I just want to say that for me the journey of Amity will be the most memorable one in my whole life.

Anannya Mukherjee, B.Sc. IT (2014-2017), Software Engineer, Capgemini

The student pool at Amity is very diverse and that enriches peer-to-peer learning and student exposure. The facilities and infrastructure such as the library and the various laboratories enable students to deliver quality output. The various opportunities at Amity have helped me broaden my horizons and expand my skill set. Amity places a lot of emphasis on communication skills, teamwork and leadership skills that are extremely crucial to success. The placement committee of Amity is extremely efficient and various companies visit the campus to offer placements to students. I was placed on-campus and am currently working as a Software Engineer in PayU Payments Private Limited. The environment at Amity has been conducive to my personal growth and has helped fuel my self-confidence. My experience with this University has been a wonderful balance of knowledge, skills, fun and friendship. I am a proud Alumni of the institution.

Meenakshi Surana, B.Tech CSE (2013-17), Software Engineer in Testing, PayU Payments Pvt Ltd

It is a delight to tell about this institution where I have grown as a student, person and professional in the span of five years. This college has inspired me to become a better version of myself. The faculty in Amity Law School has been the torchbearer whom we looked up to for constant inspiration. Well-equipped library, encouraging & supportive faculty and co-curricular activities like moot court, MUNs, debates, workshops and conferences is just tip of the iceberg. The CRC committee has been the light at the end of every tunnel whom we students followed to secure internships and jobs in top law firms and companies.

Kumar Devbrat, BA LLB (2012-17), Legal Advisor, SpiceJet Limited

Amity University has been a great contributor towards the development of my personality. By participating in the inter-university and intra-university events conducted by the School of Management, I have established my leadership, time management and team skills and have also been able to advance these skills to whole new augment level.

The infrastructure of Amity University is one of the finest in Jaipur. The professors here make the university what it is today. With an attitude of being ever ready to help, and not only delivering classroom teachings, but also providing the students with real-time case studies and hands on industry experience with field project works, they are the pillars of the learning gained from this esteemed university and this is a treasure for life.

Shubham Sethi, MBA (2017-2019), Channel Team Lead, AMAZON

ALUMNI SPEAK

The portals of AUR open with ample opportunities to explore one's interests. A supportive faculty, rigorous curriculum and a vibrant campus are its forte. The amount of global exposure that one gets through internship, exchange programs and visiting faculty is tremendous. There is a great emphasis on imparting the required tools and skill sets to students so as to reduce the gestation period from campus to the corporate world.

Anurag Bhattacharjee, B.Tech Chemical (2014-2017), Graduate Engineer Trainee, Tarrant Pharma

It's difficult to sum up the memories and experience of four years in few lines. All the professors are very helpful and they guided us all the time. These four years have given me friends for life. It has been an unforgettable journey. I had spent my wonderful days of life in Amity University Rajasthan.

Prashant Chauhan, B.Tech MAE (2012-2016), Service Engineer, Exide Industries Ltd.

I joined Amity University Rajasthan in 2015. The 4 years journey has been an amazing experience. I enjoyed learning with awe- inspiring and awesome faculties. The placement cell works very hard and focuses on placement of each student. This institute develops a student in every aspect and not only academics.

Aakanksha Gupta, B.Tech CSE (2013-17),
Trainee - Software Development, Tata Consultancy Services Pvt. Ltd

Amity University is a place where your voice is heard and your opinion counts. This place has given me an astonishing experience and has added a glorious spark to my persona both at personal and professional front. With consistent efforts made by faculties and placements cell of Amity University I was able to bag a job in one of the top Public Relations Agencies of India. CRC has always provided me with immense assistance that has made me a wonderful corporate professional today.

Dakshata Soni, BJMC (2016-2019), Associate Account Executive, Adfactors Private Ltd Delhi

Amity University is a place of learning, fun, culture, lore, literature and many such life preaching activities. Studying at the Amity University brought an added value to my life. It gave me an opportunity to meet different kind of people and learn a number of things. I have received a great support from faculties & placement office. I am thankful to Training & Placement cell for providing a platform to enhance my skills and an opportunity to showcase them.

Rishabh Pandey, MJMC (2017-2019), Reporter, A1 TV NEWS

Life seemed too hard in school days..Home works, timely assignments, exams It use to look too much back then but I never knew these were the best days true hardship was yet to arrive. It was a real chaos to choose a best college for Mass Comm here I came to know about Amity all my chaos changed into blessings. Amity was a real learning curve of my career and adding a pie to cake was Corporate Resource Center (CRC) who helped me reach where I am today. Thank you Amity and CRC.

Student TESTIMONIAL

AMITY
UNIVERSITY
— RAJASTHAN —

Keshav Damani
B.Tech CSE
2016-20

“

"Amity University's journey from its start has given me a free hand to explore hobbies, courses, competitions and domains. Different clubs and student societies helped me stay aware of whereabouts and the new trends in different walks of life. The opportunities inside and my network with seniors and juniors have also helped me achieve admission into one of the top business schools of the country. I was very fortunate to study under such visionary leadership of Amity University. I would like to thank all my faculties, friends and colleagues who have helped me in this wonderful journey. I will be happy to help and give back to the Amity Family."

**University Social Responsibility:
Community Connect
(National Service Scheme &
Unnat Bharat Abhiyan)**

ACTIVITIES UNDERTAKEN BY AMITY UNIVERSITY RAJASTHAN

The University is not only known for its best facilities of sports and games but as part of the Campus Community Connect program, organised many sports and community events in the region. Some of the important events organized by the University last year included:

- Organising Swachhta Abhiyaan in nearby villages at regular intervals.
- Tree Plantation Drive in which more than 350 plants have been planted.
- Events by National Service Scheme (NSS) Units of AUR
 - Plantation Drive
 - Free Health Check-up and a Workshop on 'Wellness and Nutrition
 - #CleanIndia - Plastic Free Campus
 - Celebration of Mahatma Gandhi Jayanti and Lal Bahadur Shastri Jayanti
 - Blood Donation Camp in association with HDFC Bank and Santokaba Durlabji Memorial Hospital
 - Fit India Freedom Run 3.0
 - Rally for TB Awareness and House-hold Survey for TB
 - Community Science Program
 - Survey in Kant and Kalwar Village
 - Sport Activities
 - Essay, Poster and Skit Competition
 - Yuva Samwad
 - Save Birds Program
 - Nukkad Natak and Environmental Protection Program
 - Har Ghar Tirana Campaign
 - A food Safety drive 'Milawat Se Mukti'
 - Celebration of National Unity Day
 - Celebration of National Constitution Day
 - Free Homeopathy Camp
 - 7-day National Integration Camp
 - Clothes Donation Drive
- Activities Under Unnat Bharat Abhiyan of AUR
 - Amity University Rajasthan has adopted five villages under Unnat Bharat Abhiyan Program sponsored by the Ministry of Education. During the year, members of the Cell met villagers and discussed their problems such as sanitation, low water level, lack of health facilities in the village, waterlogged roads etc. Apart from this, villagers were also advised about various government schemes.

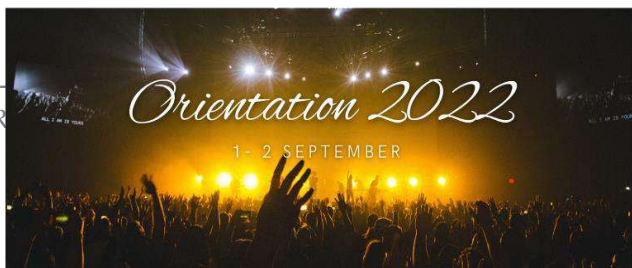

वायु गुणवत्ता सुधार विषय पर कार्यक्रम आयोजित

मानपुरा माधेड़ी चंदवाजी कस्बे के श्री श्याम विद्यापीठ सीनियर सेकेंडरी स्कूल में शनिवार को एमिटी युनिवर्सिटी राजस्थान, अर्थवाँच इंडिया, एरिक्सन एवं उन्नत भारत अभियान के सहयोग से वायु गुणवत्ता सुधार कार्यक्रम का आयोजन किया गया। कार्यक्रम की शुरुवात विद्यालय के निदेशक बी एस यादव के स्वागत उद्घोषण से हुई। प्रधानाचार्य कैलाश चंद जाट ने बच्चों को विज्ञान के प्रति रुचि बढ़ाने पर जोर दिया तथा विज्ञान प्रश्नोत्तरी के द्वारा कक्षा 8 से कक्षा 10 के विद्यार्थियों का चयन इस कार्यशाला के लिए किया गया। प्रोफेसर पी.वी.एस. राजू द्वारा वायु गुणवत्ता इन्डेक्स एवं मौसम का पूर्वानुमान के बारे में बताया गया तथा कार्यशाला के माध्यम से सिटीजन वैज्ञानिक बनने के लिये विद्यार्थियों को प्रोत्साहित किया। डॉ शत्रुघन सिंह, अर्थ वाँच इंडिया के एक्सपर्ट महेश कुमार ने बताया की सामुदायिक विज्ञान कार्यक्रम वायु गुणवत्ता जैसे महत्त्वपूर्ण मुद्दे को के लिये विज्ञान और समाज के बीच की खाई को पाटकर वैज्ञानिक सामाजिक उत्तरदायित्व को बढ़ाता है। डॉ. मनोज कुमार, उन्नत भारत संयोजक ने अर्थवाँच इंडिया एवं श्याम विद्यापीठ स्कूल प्रशासन को धन्यवाद दिया। कार्यक्रम में डॉ. गुलशन, श्रीमती चैतन्या और मोहम्मद मुसिफ ने भी अपने विचार रखे।
