Academic Year 2019-2020 has been a fruitful year for Amity University Rajasthan. Several new initiatives were taken, which distinguishes Amity from other universities. Amity once again emerged as an undisputed leader in academics with its faculty members and students bestowed with awards, honours, laurels, and distinctions in their quest for excellence.

1.10 IMPACT OF COVID-19 PANDEMIC

On 23/03/2020, a nationwide lockdown was imposed to limit movement of the population of India as a preventive measure against the COVID-19 pandemic. The lockdown restricted people from stepping out of their homes and as a result services of educational institutions were also suspended. This left parents and students in a situation full of uncertainty and chaos. Social distancing being the only way to combat COVID-19 and curb the spread of dreaded disease, the students in institutions almost all over the world, were required to stay at home for prolonged duration.

The situation no doubt created challenges for almost every sector including education but at the same time as said, “in every adversity lies an opportunity” Amity University Rajasthan, Jaipur, was quick to respond and moved to online teaching and learning which helped students save precious time and kept them engaged in productive work. The situation was very well utilized by AUR not only to meet the challenges but also to innovate and creatively utilize the time for self-development and learning for all stakeholders.

Amity University Rajasthan has been among the pioneers in country to implement an Online learning system to ensure continuous learning. Removing the barrier of geographical boundaries and location, an Online Learning system also helped to develop a sense of responsibility and discipline amongst students.

Amity Merit

Scholarships

Amity has always been driven by the vision of Dr. Ashok K. Chauhan to develop and groom the next generation of leadership in organisations, communities and society at large. To achieve the vision, the Amity scholarships were instituted to help those who excel in academics and deserve world class education but don't have the means.

At Amity, we believe in rewarding the hard work and excellence achieved by meritorious students in their academic endeavors. The Amity Scholarships have been introduced to encourage the talents of such students, thereby strengthening the foundation of our future generation, a small step towards the collective goal of making India the knowledge superpower of the world.

The Regulations on Scholarships, Awards, and Medals & Special awards have been issued under which the following diverse scholarships are offered to the students :

4.1 ON ADMISSION MERIT-SCHOLARSHIP

The University provides scholarships while inviting applications for admission from the meritorious candidates to a program after passing 10+2, Graduation or such other qualifying examinations prescribed by the University.

4.2 MERIT-SCHOLARSHIP : DURING A PROGRAM

In order to encourage the students to achieve higher performance during their studies in an academic program, the University offers merit scholarships to students in recognition of their academic achievements in the concerned program of study. These Scholarships are awarded at the end of first year on the declaration of the first-year result and renewed each year thereafter on the basis of academic performance at the end of each academic year.

4.3 MERIT-CUM-MEANS SCHOLARSHIP

The University has also instituted the Merit-Cum-Means (MCM) Scholarships for deserving students who are academically good and need financial assistance to pursue their studies at the University. These scholarships are granted for the first year of a program and are reviewed each year.

4.4 SCHOLARSHIP SCHEMES

4.5 DR. ASHOK K. CHAUHAN SCHOLARSHIP

Our founder president is a man with great vision and a will made of steel. From the beginning he converted his youth into his strength, coupled with his mature perception, a native tenacity and extremely industrious nature. Success followed his footsteps as he heralded a new era in the field of education.

This same vision has led him to promote meritorious students by giving them scholarships. The Dr. Ashok K Chauhan' 100% Scholarship is awarded to the meritorious student of each program. The scholarships have been very aptly named after the Hon'ble Founder president.

In the Academic Session 2019-20, 41 students were awarded the Dr. Ashok K Chauhan 100% Scholarships. Their names are as under :

5.2 COURSE PREPAREDNESS OF FACULTY

University’s Quest for Excellence, desire to bring global trends in the curricula and extensive use of IT enabled teaching and learning practices, has resulted in preparing students with well-honed skills compatible with the Global Market.

At Amity, Quality Teaching is fostered with the use of innovative pedagogical techniques to produce learning outcomes for students. It involves several dimensions, like the effective design of curriculum and course content, a variety of learning contexts (including guided independent study, project-based learning, collaborative learning, experimentation, etc.), soliciting and using feedback, and effective assessment of learning outcomes. It also involves well-adapted learning environments and student support services.

Fostering quality teaching is a multi-level endeavor at Amity. Support for quality teaching is practiced and monitored at three interdependent levels :

- Individual Level : including initiatives that help teachers achieve their mission, encouraging them to innovate and to support improvements in student learning and adopt a learner-oriented focus.
- Program Level : comprising actions to measure and enhance the design, content and delivery of the programs within a department or a school.
- At the Institution Level : including projects such as policy design, and support to organisation and internal quality assurance systems.

Amity prepares students for entry to an environment that is characterised by greater uncertainty, speed, risk, complexity, and interdisciplinary working and equip them with appropriate skills, knowledge, values and attributes to thrive in it. There is a strong drive to build and create knowledge together with an understanding of working life and reformulate the concept of knowledge in learning situations. Strong connections with working life through

different academic projects provide authentic opportunities to learn both generic and professional competencies as well as to build networks and pathways for employment after graduation.

The salient points of the pedagogy are :

1. Detailed Course Delivery Plan
 - a. Learning objectives of the course.
 - b. Continuous assessment scheme, i.e. components, schedule and feedback.
 - c. Common thread through the course objectives, syllabus, pedagogy and the assessment scheme.
 - d. Listing topic wise allocation of sessions.
 - e. List of text and references (numbers and quality).
2. Power Point Presentations for all the sessions (1 credit course requires 10-12 hours of teaching and for one-hour teaching, ideally 6-8 slides).
3. Other Teaching Material
 - a. Teaching notes and material in addition to the prescribed text.
 - b. Guidelines on short projects.
 - c. Write-up on term paper.
 - d. Relevant articles and papers.
 - e. Tutorial sheets, as defined in the program structure.
 - f. Experiments to be carried out in labs, their objectives and methodology.
 - g. Use of videos/ films, including the objective to be achieved.
4. Making the Course Practice Oriented
 - a. Field/industry visits, their planning, objectives and summary report leading to evaluation.
 - b. Projects.
 - c. Case studies and other exercises.
 - d. Guest lectures/ panel discussions.
5. General guidelines for students regarding attendance, punctuality, meeting the deadlines, chamber consultation hours, prior self-study to be undertaken etc.
6. Finally the efforts are made to judge how much rigor the course has created for the students. In a professional program, normally the mandate is that a student has to put in 2-3 hours of self-study for each hour of classroom teaching.

5.3 SYSTEM OF EDUCATION

Semester System

Amity University follows a semester system, which is in conformity with the global practices and standards. The Course curriculum of one year is taught in two semesters, i.e. 17-18 weeks each. The Semester system promotes greater interaction between faculty members and students and permits more meaningful term paper and research assignments.

Grade System

The level of students' academic performance is the aggregate of continuous evaluation & the end term examination and is reflected by letter grades on a Ten Point Scale. Letter grades (A+, A, A-, B+, B, B-, C+, C, F) have points associated with them in quantified hierarchy and have qualitative meaning. Semester Grade Point Average (SGPA) & Cumulative Grade Point Average (CGPA) are calculated based on the students' performance in Semester(s) & overall performance, respectively.

Amity University follows Absolute Grading as well as Relative Grading depending upon the strength of students in a particular program & batch. Students are required to maintain minimum SGPA & CGPA to pass a semester and promotion to the next semester and qualify for Degree/Diploma.

100% Attendance

Every student in Amity University is required to achieve 100% attendance in all the Lectures, Tutorials and Practicals and Seminars arranged for the respective course during the semester. However, a relaxation up to a maximum of 25% is granted in case of contingencies. A minimum of 75% attendance is required to appear in the examinations. 100% attendance criteria ensure academic excellence, disciplinary approach, and growth of the student.

Internal Evaluation System

The scheme of examinations & evaluation is one of the most important components of judging the academic performance and development of the students. Therefore, in Amity, the students are assessed at regular intervals. 30% weightage is given to continuous/internal assessment in a semester wherein 3-4 evaluation components with weightages are defined. It covers Class Test, Viva, Quiz, Case Discussion /Presentation /Analysis, Home Assignment, Project, Seminar, Term Paper, Attendance etc. The University is in process to increase the weightage of Internal Assessments to 50% from Academic Year 2020-2021.

5.4 CURRICULA & SYLLABI

The detailed course curriculum of all the programs in Amity University is reviewed at regular intervals as per the industry requirements. For this, many points are considered such as feedback reports on the placements, employability of the passed-out students, latest developments in the technology, statutory compliances of various bodies, etc. The course syllabus is first examined and evaluated by an expert committee which is then reviewed by the Board of Studies of the institution for recommendations to the Academic Council for approval.

The Program Structure is prepared for each Program that includes a semester-wise course (core and electives) to be taught, any internship to be undergone, project/dissertation as per requirement of the program curricula. Each course contains details of the course code, classroom hours, practical/lab classes, tutorials, self-study hours and credit units.

The credit units attached to each course are defined in terms of contact hours, i.e. Lectures (L), Tutorials (T) and Practicals (P). Towards earning credits in terms of contact hours, 1 lecture and 1 tutorial per week are rated as 1 credit each and 2 practical hours per week are rated as 1 credit. In a full-time degree Program, a student is required to earn on an average 25-30 credit units per semester. The credit units attached to Summer Internship/ Training (8-10 weeks), fieldwork etc. are included in this total.

As a mandatory requirement, 'Boards of Studies' are constituted for each Institution after approval of the President for the structuring of Academic Programs, viz. framing of Curricula, Syllabi, and Scheme of Evaluation, etc. The Various Boards of Studies hold their meetings and after rigorous scrutiny, the course structure and curricula of the Academic Programs offered are implemented with the approval of the Academic Council.

5.5 CHOICE BASED CREDIT SYSTEM

In accordance with the guidelines of the University Grants Commission, Amity University has implemented the Choice Based Credit System (CBCS) Programme in which the students have a choice to choose from the prescribed courses, across the courses being offered by the University, which are referred as core, elective or minor and they can learn at their own pace and the entire assessment is graded-based on a credit system.

The basic idea is to look into the needs of the students with the aim to keep themselves up-to-date with development of higher education in India and abroad. CBCS aims to redefine the curriculum keeping pace with the liberalisation and globalisation in education. CBCS allows students an easy mode of mobility to various educational institutions spread across the world along with the facility of transfer of credits earned by students.

5.6 INTRODUCTION OF COURSE PROFILES AND INDUSTRY ADVISORY COUNCIL / BOARD

Course Profiles

Course Profiles provides the following information -

- To define course aims, course outline, summary, strategies, course schedule, structure and assessment and approaches to learning
- Achieve desired outcomes of PLOs,
- Course Learning Outcomes were defined for each course of the program.
- Assessment of Oriented Course Profile: For each course, Course Profile was introduced indicating assessment rubric aligned with the learning outcomes.
- Shift the focus from passive to active learning through outcome-based education, in-house and live projects, industry visits and collaborations for faculty & student exchange.
- Organizing Seminars and Workshops for skill development and practical based knowledge.

The Course Profiles were developed and distributed to all the Faculty Members, and Students before commencement of semesters. The students' feedback on the same was also collected to improvise the system.

5.7 INDUSTRY ADVISORY COUNCIL (IAC)

University has strengthened its industry interaction by constituting Industry Advisory Council in each school/institute. This council is expected to provide opportunities to understand industry requirements and help us to prepare future professionals accordingly.

The Industry Advisory Council is a working group constituted with an aim to develop strong industry engagement, strengthen existing relationship and to provide a focal point for industry/ community, faculty, and students.

IAC is intended to initiate close interaction between the institute/school and the industry and to serve as the platform to showcase best practices, latest technological advancements, and their implementation. Through IAC, we expect to improve the quality of education adequately and meet the needs of the industry and academia based on cross-fertilization of ideas for systems improvement.

This Industrial Advisory Council will serve following objectives :

- To bridge gap between Industry & Academia strengthening the ties;
- More intense and effective implementation of interaction channels like industrial visits, faculty and student internships, industry projects, training and consultancies;
- Offering more and more industry relevant courses through curriculum;
- The pursuit of new broad research agendas (e.g. through the creation of research centers and strategies for technology development);
- Fostering entrepreneurship by facilitating expertise;

In this Academic Year, all schools/institutes organised IAC meetings and collected industry feedback which was presented in respective board of studies to strengthen the curricula.

5.8 INTRODUCTION OF ONLINE EXAMINATIONS DUE TO COVID-19 PANDEMIC

Ever since the declaration of nationwide lockdown in March'2020, conventional examination in offline mode was not possible. In such a situation, after considering all issues and options, University Grants Commission (UGC) issued guidelines for conducting online examinations. Considering the placement and higher education issues of both UG and PG students, online examination was the only available option during pandemic.

Amity University, Rajasthan conducted first online examination for its students in the month of July'2020. To meet the course objective of different courses, question papers were prepared in two different formats as given hereunder :

- MCQ (Multiple Choice Questions)
- OBE (Open Book Examinations)

Results of online examinations were processed within a shorter period with 100% accuracy.

Placements & Summer Projects

**AU PLACEMENT
COMPANIES**

**AMITY
SKILLS**

Amity has always enjoyed special preference of Indian as well as foreign recruiters on account of its students' excellent performance sustained over a long period of time and its strong brand image. To remain competitive in today's world, being adept in one area will not suffice. One has to be familiar with other domains too. Amity's has a multi faceted association with over 50 TOP Companies and is constantly involved in bringing reforms in regular course curriculum updating to meet the requirements of the environment. Notwithstanding these steps, industry participation has been made an integral part of the Board of Studies. Inviting Guest Lectures to polish their soft skills, organise summer internships and projects makes us different and unique from others.

At present there is a great demand for knowledgable, talented and devoted people in the market. The Corporate Resource Centre (CRC) at AUR, Jaipur is in place with the aim of guiding and helping the students to get deserving placements in the required field. CRC provides placement assistance to the students of technical programs of all Amity Institutions. The corporate Resource Center is a unique concept and one of its kind in India in bringing the Industry and academia close to each other and provides need based education and organization support. It has the task to organize in-campus interviews for student placement and training.

CRC organizes corporate guests lectures and industry interaction. The CRC's goal is to make every student of Amity a success story by helping them become ethical leaders who can manage and lead change across diverse organizations. It works with the students to make them Industry fit and Industry relevant. The CRC is manned by professionals from the corporate world who bring with them rich Industry experience. This helps them understand Industry requirements in terms of skill sets and attributes.

The ability of Amity students to think out of the box solutions for uncommon problems makes them ideal for such industries. Over the years, the market for the Institute's students has remained bullish, as freshly placed recruits continue to deliver on their promises and satisfy their employers.

Amity University Rajasthan, Jaipur has a very strong Corporate Resource Centre, which works round the year for :

Hon'ble Prime Minister of India implemented nationwide lockdown with effect from Midnight of 24th March 2020. The contagion left parents and students in a situation full of uncertainty and chaos. Social distancing being the only way to combat COVID-19 and curb the spread of dreaded disease the students in institutions almost all over the world were required to stay at home for prolonged duration.

The situation no doubt created challenges for almost every sector including education but at the same time as said, 'in every adversity lies an opportunity' AUR was quick to respond and moved to online teaching and learning. The situation was very well utilized by AUR not only to meet the challenges but also to innovate and creatively utilize the time for self-development and learning for all stakeholders.

INTRODUCTION OF ONLINE LEARNING SYSTEM

Amity University Rajasthan has been among the pioneers in country to implement an Online learning system to ensure continuous learning. Prompt action from faculty and staff helped students save precious time and kept them engaged in productive work. Removing the barrier of geographical boundaries and location, an Online Learning system also helped to develop a sense of responsibility and discipline amongst students.

Faculty members were already using Learning Management System and blended teaching as part of their pedagogy and academic delivery. With very little effort, it was possible for them to switch to complete online teaching.

Amity University's proprietary Learning Management system Amizone proved a great help as every student had access to course content and schedules after moving to their home. The portal is also easily accessible on any device including mobile phones.

For Faculty Members -

- Faculty used innovative ways to communicate effectively with students including using window glasses as boards and paper charts to solve a numerical problem, pre-recorded audio in the presentations to save time.
- Lab demonstrations using available online videos were made.
- Students were also encouraged to undergo MOOCs to enhance their learning and earn certifications at the same time.
- Faculty were quick to utilize virtual labs facility created by several IITs to enhance student learning.
- Use of chat boards and discussion forum was encouraged to have more collaborative peer to peer learning.

For Students -

- Detailed guidelines were prepared in form of netiquette for attending online classes.

- Students were advised to create a dedicated learning space and use headphones while taking online classes.
- The duration of lectures was reduced, and faculty were advised to make up the remaining time with assignments and exercises which were distributed using LMS.
- Students were also counseled and tutored using phone in case there were internet connectivity or bandwidth issues.

UNLOCK LEARNING DURING LOCKDOWN

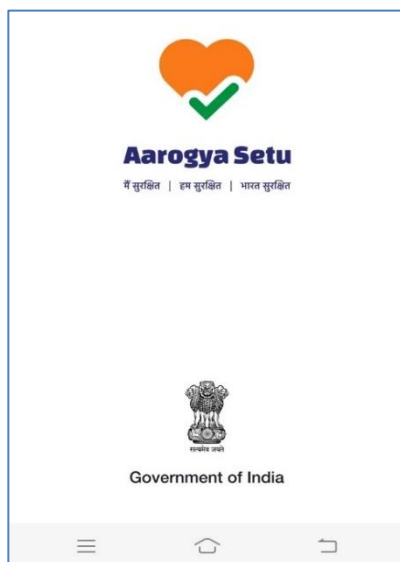

- An opportunity to read, reflect, revive, and rejuvenate oneself.
- Faculty and staff members were not behind in terms of keeping themselves updated and to strive for self-development.
- Several faculty/staff members undertook online courses and certifications available at online platforms such as Amity Future Academy.
- The routines for faculty and students were made very structured beginning with online yoga session, pranayama, and meditation during morning hours.
- This lockdown has unlocked lot of learning and it is important to institutionalize these learning to deliver high-quality world-class education going forward.

INTRODUCTION OF NEW WAYS OF ASSESSMENT

- Students' performance was evaluated through various components mentioned in course profile by respective faculty members.
- Earlier, the focus was on midterm test, assignments, dissertation, report writing and expected physical presence of students.
- After implementing online academics, we had to change some of the components which were helpful in performance assessment and gave justice with diversity in batch.
 - ❖ Task Based Simulation
 - ❖ Online Group Collaboration Projects with feedback
 - ❖ Open Ended Questions
 - ❖ Case study discussion
 - ❖ MCQs by using MS Teams
 - ❖ Online group presentation
 - ❖ Individual Seminar / Peer Evaluation
 - ❖ Viva – Voce
- By incorporating above innovative assessment, students got adequate exposure and diversity in domain.

ADVISORIES/ CIRCULARS/ NOTICES ISSUED DURING COVID-19 PANDEMIC

1. First advisory educating all on Corona Virus (Covid -19) and to create awareness about the basic protective measures was circulated on 06th March 2020.
2. An advisory and directives of UGC regarding postponing of all major events, student gatherings and other necessary actions/ steps to be taken to avoid spread of Corona Virus (COVID -19) was circulated on 13th March 2020.
3. Notice declaring 'Suspension of Classes upto 31st March 2020' as a precautionary measure against Corona Virus (COVID-19) was issued on 17th March 2020.
4. Circular regarding 'Live Online Classes - Amity University Rajasthan, Jaipur' was circulated on 18th March 2020.
5. Circulars on Suspension of Lab related activities upto 31st March 2020 was issued on 19th March 2020.
6. Guidelines for 'Work from Home' - COVID-19 was circulated on 19th March 2020.
7. Notice regarding 'Closing Down of Campus [Precautionary Measure against COVID-19] till 14th April 2020' was issued on 26th March 2021.
8. Advisory on 'Conduct of online classes during weekend and holidays' was issued on 27th March 2020.
9. Advisory on COVID-19 Incident Reporting Protocol was issued on 27th March 2020.
10. Circular regarding 'Voluntary Contribution from Salary to PM-Cares Fund' was issued on 31st March 2020.
11. Circular regarding 'Netiquette Guide for Online Classes' was issued on 01st April 2020.
12. Advisory regarding registration in 'Arogya Setu' [आरोग्य-सेतु] App was circulated on 13th April 2020.

13. Notice regarding 'Closing Down of Campus in wake of Extended Nationwide Lockdown [Precautionary Measure against COVID-19] till 03rd May 2020' was issued on 14th April.
14. Advisory on 'How To Wear A Medical Mask Safely' was circulated on 23rd April 2020/

15. Notice regarding 'Extension of Ongoing Lockdown (COVID- 19) till further order' was issued on 04th May 2020.
16. Communications regarding the online conduct of End Semester Examinations (Even Semester 2019-20) were issued on 25th May 2021-
 - (a) For Final Year Students
 - (b) For Junior Batches
 - (c) Final Year Students - Acceptance & Declaration regarding Online Examination
17. Following guidelines for conduct of online examinations were circulated on 27th May 2021.
 - (a) Conduct of Online End-Semester-Examinations (June-2020) [For Faculty & Staff]
 - (b) Online End-Semester-Examinations (June-2020) [For Students]

SERVING THE SOCIETY AND COMMUNITY

- Self-discipline by residents in ensuring all norms met.
- It was ensured that 152-acre residential campus remains completely sanitized and germ-free.
- All departmental meetings shifted online, and proper coordination was ensured through online video conferencing between team members for successful academic delivery and administrative efficiency.
- Distribution of Masks - Female employees with the help of Amity School of Fashion Technology (ASFT) made 'Organic Cotton Khadi Masks' for distribution in the community and to the needy of nearby villages. The masks were also distributed to the employees staying/ working in the campus.

सरकार के घरेलु मास्क उपयोग की पहल पर एमिटी यूनिवर्सिटी ने खादी कपड़े के मास्क बांटे

जयपुर (कासं.)। भारत सरकार द्वारा कोरोना महामारी के संक्रमण पर लगाम लगाने के लिए घरेलु मास्क के उपयोग करने की पहल को आगे बढ़ाते हुए एमिटी स्कूल ऑफ फैशन टेक्नोलॉजी विभाग के डॉ. शम्बादित्या राज के निर्देशन में सोशल डिस्टेंसिंग के नियमों का पालन करते हुए मास्क बनाने का निर्णय लिया। लॉकडाउन के बाद मास्क को बनाने में लेब सहायक प्रज्ञा पालीवाल के साथ 4-5 महिलाएं भी जुटी हुई हैं। मास्क को उच्च क्वालिटी के आर्गेनिक कॉटन खादी के कपड़े की सहायता से डबल लेयर में तैयार किया जा रहा है। यह मास्क काफी हद तक कोरोना वायरस से

परेशानी नहीं होगी। अभी यूनिवर्सिटी के द्वारा लगभग 1000 मास्क बनाने का निर्णय किया गया है और आगे भी जरूरत के मुताबिक निर्णय लिया जा सकेगा। मास्क को आस-पास के जरूरतमंदों को निःशुल्क बांटने के साथ-साथ उन्हें कोरोना वायरस के खतरे में सतर्कता बरतने के लिए भी जागरूक करने का काम

- Funding Contribution - A total amount of Rs. 2,12,668/- was contributed by the members of faculty and staff of Amity University Rajasthan, Jaipur to support the society in these crucial times. The amount collected was donated to 'PM Cares Fund'.
- Production and distribution of Sanitizer - Around 50 Litres of 'Sanitizer' was prepared in the 'Biotechnology Laboratories' of Amity University Rajasthan,

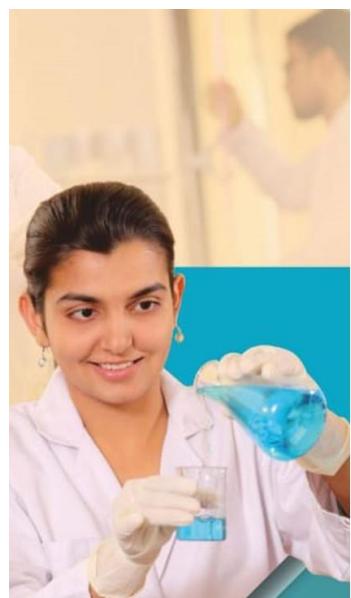

Jaipur. The same was distributed in the nearby villages during awareness campaigns, conducted by the university.

- Establishment of Quarantine Center** - To mitigate the paucity of beds and quarantine centers, the university came forward and handed over, to the local administration, one Hostel building of 400 beds at the AUR Campus to be used as 'Quarantine Center'. Necessary essential duties were given to the staff members of the university, to ensure regular supply of electricity and water. M.I. Room was functional 24 Hrs to take care of the staff members residing in the campus.
- Awareness Campaign** - NSS Volunteers of the university organized various Online Awareness Campaigns. Activities like Poster Creation, Slogans Writing, Poem Writing and Shooting of Awareness Videos etc. were organized during the lockdown period of Corona Pandemic.
- Distribution of Food** - Food packets to the needy people in nearby villages with the help of local administration/ sarpanch were distributed on 06th and 07th May 2020. Approximately 400 packets on day 1 and 600 packets on day 2 were distributed in nearby four villages namely Chak, Gunaavata, Achrol (Near Gurudwara) and Kant (near tala mod, RIICO area). Prof. Amit Jain, Pro Vice Chancellor, Prof. G. K. Aseri, Dr. Nitin Bhardwaj and other officials were present during the distribution.

August 2019

AMITY SCHOOL LEADERSHIP SUMMIT

Amity University Rajasthan, Jaipur proudly hosted Amity School Leadership Summit 2019 on 19th & 20th August 2019 to empower and recognize leaders behind the finest schools in India. Amity School Leadership Summit 2019 witnessed a great exchange of ideas between keynote speakers representing their schools. It provided a great opportunity for the leaders of finest schools in India, to come under one roof to share their ideologies, success stories and develop future ties. Prof. Arun Patil, President- AUR delivered the inaugural and welcome address followed by a session on Academic Leadership. In the afternoon a study tour for the delegates to 'The Sculpture Park' at Nahargarh Fort followed by Hi-Tea at Padao. Later, in the evening 'Future 50 Leaders Shaping Success Recognition Evening' was organised at Le Meridian, Jaipur followed by a panel discussion on "Family Managed vs Professionally Managed Indian Schools" and dinner.

On day two, Prof. Amit Jain, Pro President, delivered a talk on "Marketing vs. Positioning". Dr. Aseem Chauhan, Chairperson Amity University Rajasthan also graced the occasion on day 2 and delivered the Keynote Address during the concluding ceremony. More than 150 leaders and thinkers from school across the country collaborated on the platform and made the event largest success.

5TH NATIONAL TRIAL ADVOCACY COMPETITION 2019 BY AMITY LAW SCHOOL

The three day event commenced with the inaugrural ceremony and welcome address of Prof. Saroj Bohra, Director-Amity Law School. The Chief Guest of the ceremony was Hon'ble Justice Banwarilal Sharma, Former Judge of Rajasthan High Court & Guest of Honor was Advocate Bhuvnesh Sharma, Member Bar Council of Rajasthan & President - The Commercial Court Bar Association. Prof. Arun Patil, President, Amity University Rajasthan in his address stated that such competitions provide a wonderful opportunity for today's youngsters to interact with their peers and advocated that the future of legal profession is brighter and better than others.

Total forty eight (48) teams with 144 participants from reputed law universities like University of J&K, School of Law Christ University- Bengaluru , GLC- Mumbai, ULIS, Panjab University, Bhartiya Vidya Peeth, New Law College- Pune, National Law Institute University (NLIU)- Bhopal, KIIT- Bhubneshwar (Orissa), SRM University- Chennai, Symboisis Law School- Hyderabad, Delhi University, UPES - Dehradun, Sastra University - Chennai, (Tamil Nadu) NLU-Tiruchirapalli, NLU- Assam, MP Law College- Aurangabad, to name few among the others participated in the three days extravagant competition.

INNOVATION DAY

To celebrate the Birthday of Hon'ble Chairperson, 28th September 2019 was celebrated as "Innovation Day" with all gusto, enthusiasm, zeal and sincerity at Amity University Rajasthan, Jaipur. In the forenoon, celebrations started with the Inauguration of newly established Physics and Chemistry Laboratories by the President AUR, Prof. Arun Patil and followed by display of Innovative

Models/Projects by various departments, where in their achievements, accomplishments and innovative projects were displayed.

Objective of this celebration was to foster the Innovation, Creativity, promote Entrepreneur Spirit and ignite the minds of students to pursue their path by drawing inspiration from our Hon'ble Chairperson, Dr. Aseem Chauhan.

The celebration continued centrally in the Auditorium wherein a Video Presentation on Hon'ble Chairperson was made followed by the address of President Prof. Patil and Pro President Prof. Amit Jain. The Committee announced the awards based on Best Research/Innovative Project. Senior Officials of AUR shared the memorable moments and their experiences with the Hon'ble Chairperson followed by the Cultural Programme.

October 2019

INTERNATIONAL CONFERENCE ON RETHINKING THEATRE, DRAMATICS AND SUSTAINABLE STUDIES (RTDS 2019) BY AMITY SCHOOL OF LANGUAGES

Rethinking Theatre, Dramatics and Sustainable Studies (RTDS 2019), a two-day International Conference to promote and innovate drama and theater was organized by Amity School of Languages. Padma Shri Keki N. Daruwalla, an internationally acclaimed Indian poet and writer, graced the event as Chief Guest. He stressed on the importance and relevance of drama throughout the ages and in today's parlance. An exhibition was organized by the students to display their posters and models related to drama as well as sustainability. The guest of honor was Madam Marie Doublie, Attaché of Cooperation in Education, India, French Embassy.

The International speakers were Dr. Sharmani Patricia Gabriel, Professor of English at Universiti Malaya, Malaysia, Professor (Dr). V. Ganeshan, Emeritus Professor of German, University of Atlanta, Prof. Ludovic Renard, Sciences Po Bordeaux University, France, Jonathan Hart, Canadian writer and poet, University of Toronto. The other eminent speakers included Prof. R. K. Dhawan from Delhi University, Prof. Abhijit Karkun from JNU, New Delhi, Prof. Suman Bala from Delhi University, Prof. Jagdish Batra from OP Jindal Global University, Sonapat, Prof. Geeta Kochhar from JNU, New Delhi, Prof. Hemendra Singh Chandalia from JRN Rajasthan Vidyapeeth University, Udaipur to name a few. Fourteen technical sessions, two plenary sessions, two round table sessions and two keynote addresses were held covering the various aspects of Theatrics and Drama. The conference was witnessed and attended by 200 participants.

November 2019

HR CONCLAVE

Two-day HR Conclave 2019, under the aegis of Corporate Resource Centre (CRC) was organized. The theme of the conclave was “Digital Transformation of Work and Workplace Opportunities, Challenges and the Way Forward”.

Prof. Arun Patil, President, delivered the welcome address and highlighted the prevailing trends in digital platforms being implemented across the industries. Prof. Amit Jain, Pro President in his address gave the introduction of the conclave, overview of the various sessions and its importance. The Chief Guest of the conclave was Capt. B. B. Sinha, Advisor, Great Eastern Shipping Corporation. The Keynote address was delivered by Mr. Anoop Bartaria, Chairman & MD Sincere Group of Companies and World Trade Park Ltd.

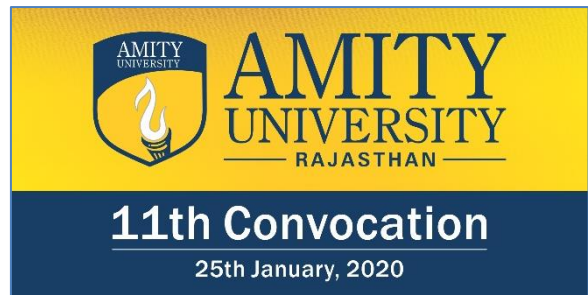

The two day event was spread over the following 4 sessions :

- Paradigm Shift Evolution of Traditional Organisations into Technological Organisations.
- Leadership Challenge Defining Strategy to Balance varying needs of Multi-Generation Workforce.
- Accelerating Workforce Transformation for Industry 4.0.
- Digital Transformation of the Future Workforce in Service Sector- Opportunities, Challenges and the Way Forward.

Eminent speakers from various corporates across India like Great Eastern Shipping Company, Magicbricks.com, Karvy group, Expedia Inc, Aditya Birla Group, Poly Cab Ltd, ABP Ltd., ITC Group, RBS, Carrier Midea, American Express, Samsung etc. graced the event.

11th Convocation, Class of 2019 - The 11th Convocation of AUR for Class of 2019 was conducted on 25th January 2020. Hon'ble Chancellor Sir, Madam Divya Chauhan, along with other family members and dignitaries were kind to grace the occasion and bless all the graduands and others present in the audience. **Shri Kalraj Mishra, Hon'ble Governor of Rajasthan** was the Chief Guest.

Shri K. G. Balakrishnan, Former Chief Justice of India was conferred 'Doctor of Law [LL.D.] Honoris Causa.

Two eminent dignitaries as were conferred title of Honorary Professors.

Dr. Laxman Singh Rathore

Former Director General of Meterology, IMD

Dr. Sanjeev Sharma

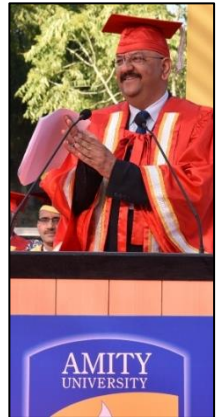

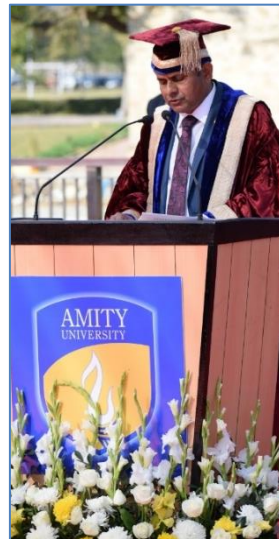

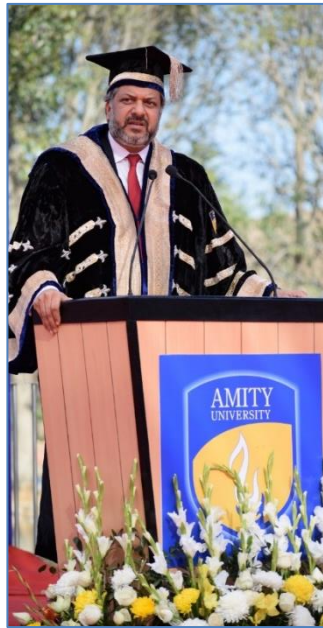

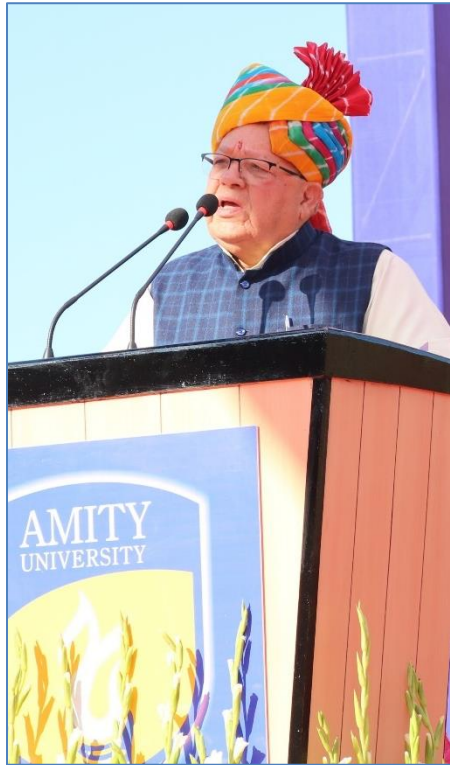

Director National Institute of Ayurveda

As many as 853 graduands including 39 Doctoral, 182 Post Graduate and 632 Graduate students of the Class of 2019 were conferred degrees at the impressive ceremony.
