**ABOUT PRO BONO CLUB** **2023**

Introduced under the Nyaya Bandhu Scheme, the Pro Bono Club of Amity University Rajasthan established under the 'Ministry of Law and Justice, Government of India has been conceptualized to strengthen the existing pro bono programme, by integrating law schools and students within its fold. The primary objective of this scheme is to improve the efficiency and quality of pro bono legal services by providing assistance to pro bono advocates through competent law students.

Under this scheme, the Pro Bono Club of Amity University Rajasthan plays a crucial role. The club acts as a facilitator, coordinating and connecting law students with pro bono advocates who require assistance.

It acts as a link between the law schools and the legal fraternity, creating a collaborative environment for pro bono work.

The Law students who are part of the Pro Bono Club get the opportunity to work closely with pro bono advocates on various legal matters. They assist in legal research, drafting documents, preparing case summaries, and providing other necessary support to the advocates. By engaging in such activities, students gain the practical exposure to the legal field and also contribute to the delivery of justice to those in need.
