

AMITY UNIVERSITY RAJASTHAN

SDG17: Partnership for the Goals

Amity University Rajasthan believes in collaborative approach to address national and international issues including SGDs. University presently offers 68 programmes under 17 departments which are imparting Quality Education and collaborating with National and International HEIs and Research labs to implement best practices in academics & research, simultaneously interacting with relevant industries to foresee future requirements which gives directions in creation of 5-year plan. University also shares its practices with peer organisations and schools to aware young generation well in advance and make them future ready. University successfully connects SDG specific government and non-government organisations and work with them unbiasedly. University encourages its stakeholders in cross sectoral dialogue and publishing its outcomes at appropriate platforms.
