

CONVOCATION

VISION

To build the nation and the society by providing total, integrated and trans-cultural quality education and to be the global front runner in value-education through nurturing talent in an environment where modernity blends with tradition.

Message by the Founder President

It is my obsession, junoon, and one of the missions of my life that the potential of each one of my students and alumni develops to the fullest. It is always my continuous endeavor to look for new findings, gather experiences and do research to fulfill my above dream.

My dear alumni, I wish to share with you, that if I have achieved any success in my professional career, entrepreneurial career and personal life, it is all because of my uncompromising urge to attain the highest success in whatever I pursue.

You, my dear alumni, have been my students for many years; have taken breath in an environment, in the air, which has given you the utmost urge to have distinguished identity in your professional/entrepreneurial and personal career.

It is very easy to reach to the pinnacle of success-for that, you have to dream big, dream with open eyes and make a roadmap to reach such great heights. That is all. But one thing, while pursuing your mission and goal, you should not deter from your path, no matter, whatever challenges, adversities and difficulties come in your way.

I am confident that having the genes of your worthy grandparents and parents and other noble senior blood relations and having inherited their values and sanskars and this coupled with education of Amity, where the power of Brahmastra "Behavioral Science" has been instilled in you, I am sure each one of my alumni would make a success story and thus, would become pride for their family, for Amity and for the whole nation and would contribute tremendously in making India a Superpower.

My blessings would always remain with you and your family.

Dr. Ashok K. Chauhan

Founder President, Ritnand Balved Education Foundation (RBEF)
(The Foundation of Amity Institutions and the sponsoring body
of Amity Universities)

Chairman, AKC Group of Companies

MISSION

To provide education to all levels in all disciplines of modern times and in the futuristic and emerging frontier areas of knowledge, learning and research.

To enhance the overall personality of students by making them not only excellent professionals but also good human beings, with understanding and regard for human values, pride in their heritage and culture.

To inculcate in students a sense of right and wrong, a yearning for perfection and attributes of courage of conviction and action.

Message by the Chancellor

It gives me great pleasure to congratulate the students of Amity University Kolkata who are graduating as part of the Class of 2023. A convocation is one of the milestones in life one never forgets, and I am sure you will share the immense feeling of pride and happiness with us and all your family members, friends and colleagues.

As an Amitian never forget the great sacrifices your family and faculty have made to give you the best possible education. It is now your responsibility to do your best possible to give back to society and make them all proud. I express my sincere appreciation to all the faculty and staff of Amity University, for assisting you on your educational and life journey during these defining years, and for continuing to make this University a place of excellence and fine achievements.

We are here because of the vision that our Founder President Dr. Ashok K. Chauhan had and the passion and junoon with which he has brought together the best people and led them to ensure that Amity offers transformational education to brilliant young achievers who will go further to improve society.

Today, as you receive your degree, you will hold in your hands the key to the door of your future professional success. As future leaders, I trust that the leadership qualities that you demonstrate will reflect the values that you have nurtured during your years at Amity. These values not only ascribe to the highest levels of academic distinction but also inspire you to follow a lifelong pursuit of excellence. They also make you a better human being, rendering selfless services to your Country, society and humanity.

Congratulations once again. Always remember we are family for life. I look forward to meeting you in the future and sharing the stories of your success and happiness. We are always there for you.

AMITY EDUCATION GROUP - TRANSFORMING THE INDIAN EDUCATION LANDSCAPE

The Amity Group, today, has over 2,00,000 students studying across 12 universities in Noida, Gurugram, Greater Noida, Lucknow, Jaipur, Mumbai, Gwalior, Kolkata, Raipur, Ranchi, Patna, Mohali and 28 schools and preschools, offering 400+ programmes. It not only has a national presence spread across 23 Indian states but has established 16 global campuses spanning over London, New York, Singapore, Dubai, Abu Dhabi, Sharjah, San Francisco, Singapore, Mauritius, Amsterdam, Tashkent and South Africa.

Right from its inception, Amity has been focused on raising overall standards at par with the best in the world and by putting greater emphasis on research, innovation, and employability. Its diverse and far reaching endeavors in the field of education, have led to its flagship University, being ranked among the top 3% universities globally by QS and THE (the world's leading university ranking organizations). The flagship university has also been ranked among the top global universities by Times Higher Education, UK for producing the most employable graduates in a survey conducted among 11,000 employers worldwide – a testimony to Amity's exemplary record of campus placements.

Amity has also set a new standard of academic excellence in India by becoming Asia's only not-for-profit university to be awarded US Regional Accreditation as well as India's only university to be accredited by the UK's Quality Assurance Agency for Higher Education.

Today, the Amity faculty, comprising leading scientists and researchers have filed more than thousand patents - by far the highest number of patents filed by any individual Indian institute. In the field of management, the university has developed more than 4,200 case studies in recent years that have been bought in 110 countries by over 2,600 leading institutions and organizations. During the past 30 years in education, the brilliant faculty of the Amity Universe have published over 35,000 research papers and authored over 900 books. Such initiatives have led to Amity being listed as one of the top universities with innovation achievements in India by ARIIA (Atal Ranking of Institutions on Innovation Achievements).

The university has also pioneered the concept of industry-led institutions where leading organizations such as the multinational conglomerate Tata, the UK's Royal Institution of Chartered Surveyors and the Confederation of Indian Industry (CII) have set up institutions in partnership with Amity on campus.

Attracting some of the most brilliant students, Amity has instituted India's largest private scholarship programmes, benefitting over 30,000 students. These students are blazing a trail of success, having filed over 673 patents and authored 4,260 Publications and also initiated 185 student start-ups. The University has taken key initiatives such as Employability Skill Building Workshops to raise student employability quotient, Study Abroad Programme to develop a global exposure, on-campus Incubators to hone entrepreneurial skills, and a multi-dimensional exposure to diverse disruptive technologies.

AMITY UNIVERSITY KOLKATA - A UNIVERSITY DRIVEN BY INTELLECTUAL RESEARCH & WISDOM

Amity University Kolkata has been established vide West Bengal Act XXIV of 2014, under the visionary leadership of Dr. Ashok K. Chauhan, the Founder of Amity Education Group. Guided by our Hon'ble Chancellor, Dr. Atul Chauhan, Amity University Kolkata is excelling almost in every domain.

Amity University Kolkata attracts brilliant students from almost every part of India, who are pursuing their degrees in various programs: 42 under graduate, 23 post graduate, 4 dual, 1 B.Ed, 1 B.El.Ed and 18 Ph.D. courses. Amity believes in diversity and gender equality and the vibrant and bustling campus is clear testimony to this belief. Amity University Kolkata has eminent faculty from diverse backgrounds who bring with them rich academic, research and industry experience. The state-of-the-art campus, located in the heart of Kolkata, is an architectural and educational milestone and has already attracted the best young minds from across the country.

Currently Amity University Kolkata has more than 6500 students enrolled in various programs. The university has well furnished hostels having a capacity of 700 students for boys and girls. At Amity University Kolkata, unrelenting pursuit of excellence is the constant endeavor.

The Academic Landscape

Amity benchmarks only against the best universities around the world. Amity's faculty and senior team members travel all over the globe to imbibe the best practices, so that students get the best environment to pursue their dreams.

Amity University Kolkata has 71 state-of-the-art labs where students experiment and apply the theoretical principles they have learnt in the classroom. Along with advanced labs for Applied Science, Biotechnology and Engineering, there are also new age Learning Studios for Mass Communication, Social Sciences and Fine Arts.

The Central Library has over 5118 titles and 26,676 volumes on diverse topics, about 2000 print journals and magazines, thousands of online research journals including SCC online, IEEE Xplore, Taylor & Francis, JSTOR, SCOPUS etc. The unique digital versions in the library can be accessed by students and faculty through Amizone 24x7.

The library has INFLIBNET and UGC provided research tools and services. In addition to this, the Embassy of Spain has donated more than 200 books on Spanish literature and culture. Recently, the library has introduced a special collection of Braille books for the specially abled students. The library has two distinct sections, one that fosters collaborations and exchange of ideas among students as well as faculty, and another that facilitates concentrated and undisturbed study. The ground floor houses the vibrant informal interaction area, while the top floor embraces a formal international library ambience.

The Research Diaspora

Amity University Kolkata has emerged as a dynamic platform for scientists, researchers, and academicians to transform their ideas into success, and to fully develop their potential. Bringing together this vast community of scholars for cutting-edge research, Amity University has further reinforced its commitment to positively impact India's development and strengthen our nation's global image. The campus is home to some of the best research minds from the Departments of Sciences and Biotechnology, who are working on Government funded projects and also private funded projects with the likes of The Department of Landscape Architecture, The Pennsylvania State University, USA and many other national and international bodies.

The curriculum at Amity University Kolkata as well as the entire academic and experiential ecosystem, has been designed to promote research amongst students and encourage research as a career option. Amity University Kolkata is also deeply committed to faculty improvement and development, and puts great emphasis on faculty development programmes, international and national conferences, seminars and workshops. Amity University Kolkata also has a special Evaluation Board, which reviews the performance of faculty members in terms of class performance, research projects and publications with a special focus on SCOPUS and ELSEVIER indexed publications.

Industry Linkages

The Industry Interaction Cell at Amity University Kolkata is committed to bringing the industry and academia closer, so that students gain insights from both academic experts and industry leaders. Along with facilitating a more holistic development of students, it encourages them to actively participate in various real life scenario events, where they get the opportunity to formulate strategies, and interact closely with industry, while creating a stronger platform for their summer internships and final placements.

The Cell also organizes Counselling Sessions for students and helps them to choose a career that is best suited to their aptitude and interests. Amongst various activities and initiatives, the Cell organizes CEO Forums, Alumni forums, Live projects, Industry visits, Pre-placement talks and more. The result is that Amity students have much greater interaction with the industry and the corporate world than other institutions, a key reason why Amity is consistently ranked at the top. The Cell acts as a powerful interface between academia and industry, boosting engagement, interactions, and industry experiences, while gaining a better understanding of industry needs.

An important part of the Amity Kolkata experience for students is building their confidence, so that they excel in interviews and group discussions. The Industry Interaction Cell covers key aspects such as interview preparation techniques, success dressing, body language, non-verbal communication, dealing with difficult questions, business etiquette, and also how to win group discussions and confidently speak extempore.

The spirit of Sangathan

Amity group conducts annual sports meet on the birthday of our beloved and respected Founder President, Dr. Ashok K. Chauhan. The sports meet attracts the best talents across all Amity campuses on Pan India basis. The sports event marks the enthusiasm and zeal amongst youth along with the endeavour of contributing something substantial in the field of sports.

We also encourage students to participate in outside events and inter-school competitions. Thus, we provide a congenial atmosphere where we integrate studies, sports and extracurricular activities that groom the overall personality of the candidates and sharpen their intellect to face the challenges of the world.

Amiphoria – The Annual Fest

With the dawn of spring (Basant), when the mood is all set to go for celebrations, Amiphoria, the most popular Annual Fest of Amity brings forth, plethora of opportunities for brilliant youths of Amity University and other hundreds of leading universities and colleges. An array of novel and scintillating activities lined up for three consecutive days - so exciting, thrilling, promising and fulfilling that each student enjoys the events to the fullest.

The fun-packed annual fest of Amity University Kolkata rebounds somewhere in the last week of February and early March each year. The most awaited and cherished grand gala of Amity is a vivacious coalescence of multifaceted students to showcase and exhibit their talents on unmatched platforms of Amity University Kolkata.

Mahalaya

Amity University Kolkata celebrates Mahalaya in a grand manner every year. It has become a part of the campus's cultural tradition since its inception in 2015. The entire campus is decorated in red and white, and with flowers. "Dhak Dhunuchi" dance is the central attraction around which thousands of our students perform the traditional dance holding the pious fuming earthen bowls filled with coconut husk and auspicious powder.

The students perform various cultural programs to emphasize the triumph of good over evil where the power of matriarchy is celebrated. This is the time of the year when entire Bengal celebrates Durga Pujo. Forgetting all sorrows and differences, people from various classes and communities, irrespective of religious backgrounds, come together to celebrate the event. Amity University Kolkata, by celebrating the event at campus, has made a significant impact in spreading the message of love, peace, and harmony among diverse communities.

The Cake Mixing Ceremony

The Cake Mixing ceremony is a highly anticipated event at Amity University Kolkata. It's a time when the campus is filled with the sweet aroma of fruits and nuts, and the air buzzes with carols. Cake-mixing is a harbinger of good tidings and happiness. The event brings people together in fun and frolic to showcase the institution's commitment to secular celebrations through skills of mixing and baking a large number of exotic ingredients.

This year the event was organized on 11th December 2023. The ceremony was graced by esteemed guests from corporates and hotel industries. The evening was filled with vibrant decor and music. The event helps not only to celebrate diversity in culture but also strengthen the bond between campus and industry.

International Accreditations & Collaborations

Amity University is rapidly expanding its global footprint through key collaborations with institutions like Erasmus, European Union, Novatec Inc, USA, Universidad de Sevilla, Art Consortium, Spain, Takashi Niwa Architects to name a few. These international collaborations translate into a constant stream of faculty and student exchange programs, as well as research collaborations across diverse projects.
