1. **Event Title** - Laughter gala 2.0
2. **Event Overview** - A fun and thought-provoking session where we'll explore how perceptions about women have evolved across generations. In this interactive event, we'll ask quirky, insightful questions to teachers, students, and newcomers, diving into their perspectives on women's roles in society. The goal is to spark conversations, uncover generational shifts in thinking, and reflect on how mindsets have changed or stayed the same over time. It's all about learning, sharing laughs, and breaking stereotypes while keeping the atmosphere light-hearted and engaging.
