ProtoSphere Competition

1. INTRODUCTION

The Amiphoria ProtoSphere Competition welcomes participants from Colleges and Universities across Uttar Pradesh to Unleash your Tech-Potential. It is platform where innovation meets imagination, and young minds come together to shape the future of technology. This event serves as a testament to their ability to dream big, think critically, and innovate fearlessly.

2. ABOUT THE EVENT

The ProtoSphere competition is open to both internal and external participants, providing a platform to showcase their technological talents through innovative models. This event allows students to demonstrate their technical expertise and presentation skills while inspiring their peers and gaining valuable insights from a diverse range of projects.

3. Registration and Fees

- Participation fee: INR [200 for Internal] and INR [300 for External] per participant.

4. MODEL Specifications

- All models should embody sustainability, promote eco-friendliness, and inspire positive influence on others.
- Participants are responsible for using their own materials to create their materials.

5. Competition Format

- A Technical Model based Project Expo
- Each Team should comprise of minimum 3 and maximum 5 members.

- Scoring: 5 points will be allocated for each of the following categories: innovation and creativity, sustainability, eco-friendliness, impact, technical excellence, and presentation and explanation.

6. Judging and Dispute Resolution

- A panel of experienced judges will evaluate on originality in design, use of sustainable and recyclable materials, potential for real-world application, influence on society or target audience, confidence and communication skills of the presenter.
- All concerns and disputes must be addressed to the designated competition officials.

7. Safety and Regulations

- Participants must present their models in formal wear.
- Participants violating rules will be disqualified.

8. Disclaimer and Insurance

- Participation is at your own risk. Organizers are not liable for any damage to their models.
- Participants are responsible for securing their own model insurance.

9. Awards and Recognition
