Riddle Rush: Crack Clues , Either Win Or Lose

1. Event Overview

Event Name: Riddle Rush
Tagline: Crack Clues, Either Win Or Lose

Riddle Rush is an exciting and interactive event designed to challenge participants' teamwork, critical thinking, and problem-solving abilities. The event consists of four engaging rounds where participants will decode riddles, solve puzzles, and unlock a final prize. This competition encourages collaboration, innovation, and strategic thinking among all participants.

2. Event Eligibility

The Riddle Rush competition is open to all students, both internal and external. The event consists of a mix of individual and team-based challenges. After the first round, participants will be grouped into teams.

3. Registration and Fees

- **Registration Deadline:** 1 March 2025
- **Participation Fee:** INR 100 (for both internal and external participants)

4. Event Format

The event consists of four progressively challenging stages designed to test participants' general knowledge, logic, teamwork, and critical thinking. It begins with an individual buzzer quiz covering various topics including Bollywood, riddles, logic puzzles, and general

knowledge. It challenges their reasoning, problem-solving skills, and ability to answer accurately under pressure. The top scorers advance and are paired into teams. In the next stage, teams solve a sequence of riddles to navigate different rooms and collect additional code pieces. The first team to correctly enter the code and unlock the final prize wins the competition.

5. Safety and Regulations

- **Teamwork:** Teams must remain together while solving riddles and completing challenges.
- **No External Help:** Participants are prohibited from using mobile phones, the internet, or any other external devices during the competition.
- **Fair Play:** Participants must follow all event rules. Cheating or using unauthorized assistance will lead to disqualification.
- **Disqualifications:** Teams that violate event rules or safety regulations will be disqualified.

6. Judging and Dispute Resolution

- A panel of event coordinators will monitor the competition to ensure fairness and adherence to the rules.
- **Disputes:** Any disputes should be addressed to competition officials for resolution.

7. Prize for Winner

Prize of 1000/- in kind for 2 winners   2,000/- in KIND total. Trophies for 1st and 2nd place
