

**Guest Lecture on  
'Aircraft Stability and Control' by  
Dr Om Prakash, HoD of UPES, Dehradun**

A Guest Lecture on '**Aircraft Stability and Control**' was organized by AIAE on 21.02.2014 from 12:00hrs-1300hrs in Room No 102 of A-Block. About 80 students and 12 faculty members from AIAE and AISST attended it. The guest lecture was delivered by Dr Om Prakash, HoD of Aerospace Engineering of University of Petroleum and Energy Studies (UPES), Dehradun.

The students showed overwhelming response to the lecture and asked some questions on establishing handling characteristic to new aircraft design models and on developing codes for controlling aircraft.

The guest was introduced by Dr Sanjay Singh and vote of thanks was presented by Prof RK Chauhan.
