

## **Guest Lecture on** **“Safety Management System in Aviation Industries”**

A Guest Lecture on **“Safety Management System in Aviation Industries”** was organized by AIAE on 6th Mar 2014. The speaker was Lt. Col. Alok Kinra (Retd.), GM Maintenance & Flight Safety, Forum I Aviation Ltd., New Delhi.

It was arranged in room No 102 and attended by about 80 students and 10 faculties of AIAE and AISST. It was brought out that subject of preparing Civil Aviation Regulations and Maintenance Safety management is currently under implementation by all aviation stake holders. It is new area for employment of students.

The student showed great interest in the subject. The speaker was introduced by Dr Sanjay Singh and vote of thanks was presented by Prof RK Chauhan.
