

# FACILITIES

One can enjoy access to an array of well-equipped research laboratories dedicated to research programme and handling several instruments.

**AFM**

**DLS**

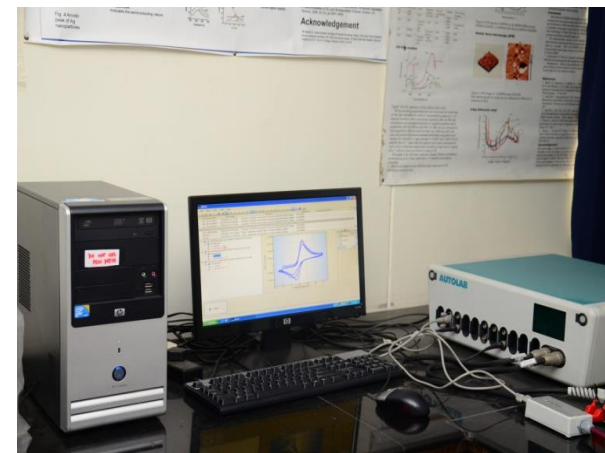

**XRD**

**Thermal Coating**

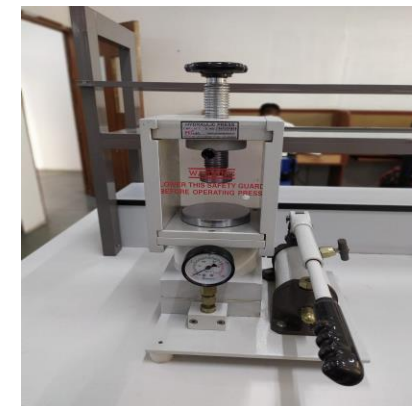

**UV-vis**

**Electrochemical  
Analyzer**

# Instruments

## Equipments

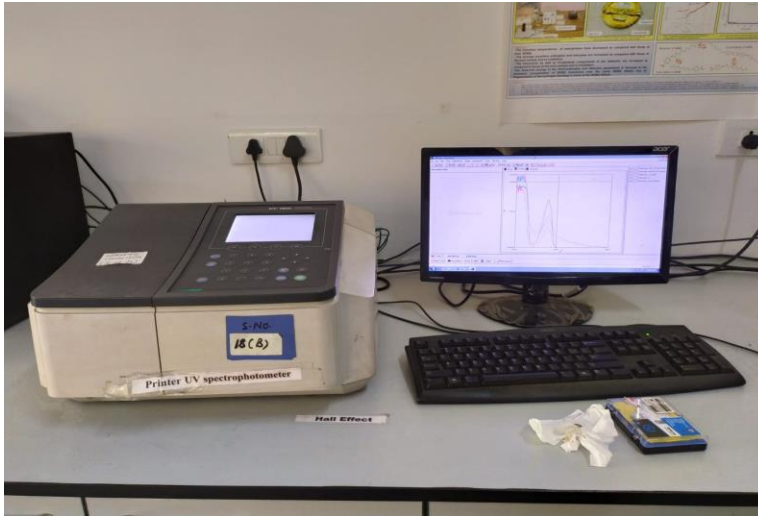

pH Meter

Laminar Flow

Hydraulic Press

Auto Shaker

Electrospinning

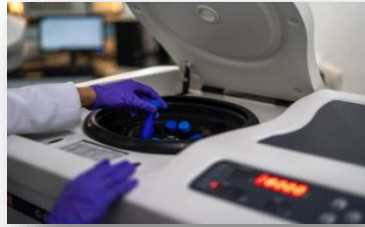

## Equipments

**UV-Visible Spectrophotometer**

**FTIR**

**High Resolution Microscope**

**Autolab**

**UV-Visible Spectrophotometer**  
**Hydrothermal Autoclave Reactor**

**Incubator**

**Rotary evaporator**

**Fume hood**

**Centrifuge**

**Autoclave machine**

**pH meter**

**Vacuum oven**

**Ultrapure water system**
