

## Report on Open House of AINT on 19<sup>th</sup> May 2018

### J-2 Block; 3<sup>rd</sup> Floor

Two Students from THE VELAMMAL INTERNATIONAL School and Ram-Eesh International School attended the event. These students also are application for UG/PG courses at AINT. To start with, students went through the registration process along with interaction with faculty. They were also offered Tea/cookies during the time of registration and interaction.

Thereafter, a presentation was given by Dr O P Sinha to familiarize the students about the world of Nanotechnology and Achievements of AINT and Academic programs offered at AINT. The lecture was followed by 1 hour Lab tour and demonstration of some Nanotechnology based experiments. The experiments and instrument demonstrations were carried out by research scholars, faculty and Lab attendant- Ms Chaitali, Ms Shalini, Ms Mahima, Ms Chansi, Mr Harsimran, Dr ABV Kiran Kumar, Dr Ashish Mathur, Dr Monika Joshi and Dr Ranjit Kumar.

Students along with their parent were taken for lunch at H- Block. Feedbacks were also taken from the students.
