

1. Title, place (town, country) and date of the workshop

Full Day Workshop on “Intellectual Property Rights (IPR)” held on November 17, 2017

Venue: Seminar Hall, Amity University, Mumbai - Pune Expressway, Bhatan, Post – Somathne, Panvel, Mumbai, Maharashtra 410206

2. About the Workshop

This Inaugural Workshop on IPR is the first initiative under the NRDC IFC scheme. The IFC scheme of NRDC has specific stated objectives though, the scheme has larger scope and it is still evolving. It is expected that during the operation of scheme and through workshop like this, innovative ideas will be generated. There will be continuous process of consultation with all stakeholders in the country though IFC platform and the outcome and recommendations of such consultative process will be shared with NRDC from time to time to provide much needed boost to ‘innovation’ process and practices in the country. There will be many such workshops on IPR on specialized topics, meeting the expectations of captive audience in the national capital region

3. Objectives

The Objectives of the Workshop, being the first initiative under NRDC-IFC, will be to enhance awareness of about Intellectual Property Rights (IPRs) to take measures for the protecting their ideas and business strategies. Effective utilization of IPR tools would also assist them in technology upgradation and enhancing competitiveness. While familiarizing the faculty and staff of Amity University as captive audience,

The workshop is expected to help:

- i. Understanding key aspects on the Intellectual Property Rights
- ii. Learning how to protect one’s ideas and Innovations
- iii. Having an insight on managing Patents and other IP wealth
- iv. Understanding patent procedure, from filing to grant patents, in India.

Summary of the talk by each speaker

Prof. (Dr.) Shyamalendu Niyogi started the session with an introduction of Amity University. He talked about the vision, mission and dynamic leadership of Founder President Sir, President and C5 Sir and Additional President and C6 Sir in Making Amity University highly reputed and big nationally and internationally. He gave some examples about the leadership and motivation of these dynamic leaders towards taking the Amity Institutions to the top as innovative, creative and research driven institutions. He spoke about the importance and benefits of IPR and gave brief introduction to Patents and other laws relating to IPR. He shared his experiences of working with various organizations. He also congratulated Amity University Mumbai, its management, faculty members and students for organizing this seminar and encouraged speakers.

Mr. Vilas Athavale spoke about laws related to IPR, giving some real-life examples and explained how law actually functions. He spoke about his **journey** in law field and motivated students to opt for off bit careers and how IPR will be a flourishing career option

Ms. Ashwini Sandhu started her talk from basics by showing two animated videos. The first one discussing idea generation and its importance, the second, talking about the importance of maintaining the log notes and log books through the process of ideas generation further guiding the students on the process of IP filing. The students were inquisitive about knowing how can the confidentiality of research papers be protected when it is sent to a research journal and it is not published? Also, the scenario of life IPR for life saving drugs post the Novartis Judgment was discussed.

Mr. Vikash Sharma spoke in detail about Patent laws and patent filing. He explained the methods of Patent Filing with detailed slides. He gave day to day examples of patent registration and how a patent is awarded or rejected. He also spoke about the reasons for rejection of patent and shared some tips. His session also included an in-depth discussion on Can a parent company claim the right over the rights registered (whether patent, copyright or any protective rights) by its subsidiary company? And what happens if someone steals the unprotected and undocumented idea of someone and registers or protects it on his name?

Mr. Warun Kumbhar started his session by stating importance of the concept disclaimer and further he explained how an IPR firm actually functions, he gave various examples of clients and the ways to deal with them. His session ended with a detailed question answer session such as, can an inventor keep his inventions secret after obtaining a patent for his invention? and given the dynamics of the virtual world where we see a tangible territory crisis, will patent still remain to be a territorial right?

Mr. Tang Yu started his session by giving brief introduction of his background. He explained how Laws on IPR in India and China differ from each other. Mr. tang Yu mainly focused on the scope of IPR in on a global level.

Ms. Shreya spoke about the importance of landing and work culture at international corporate law firm. She explained pros and cons of this field.
