

AMITY  
HUMAN VALUES  
QUARTER 2019

NEWSLETTER

## MESSAGE FROM FOUNDER PRESIDENT

Good human values ensure success, joy and bliss in life. Having good human values, one can achieve everything in life, one would aspire for.

Caring nature, empathy, compassion, good ethos and morals, truthfulness, honesty, humility etc. are some of the human values, which determine the behaviour of a person.

Behaviour is determined by values and traits a person possesses. The behaviour is like **a missile launched by the launch vehicle from the platform of the values.**

Human values have no meaning, if it is not reflected and practised through behaviour. In principal, good values drive a person to go to the right path in professional as well as personal life.

I feel greatly proud that our distinguished students, alumni, faculty members, Ph.D fellows and all others from Amity University campus demonstrate the above good values and traits throughout the year and this comes more specifically to light during the **Amity Human values Quarter (AHVQ)**, which is observed every year to reinforce these important attributes among each and every student at Amity. Demonstrating such traits on their part, only confirms their possessing great human values. The activities of AHVQ brings wide spread awareness not only among each other and every person at the campus but also it travels beyond the boundaries of the campus.

I am confident that being equipped with excellent education, and demonstrating good behaviour based on good human values, each and every Amitian will be highly successful and would have satisfaction and joy in personal life. The behaviour of Amitians also provides awareness to all others in the society and this, in result contributes in forming a good society, an important base for the nation's growth and development.

I compliment and appreciate the organizing committee members and all the others involved in making the AHVQ highly successful, result oriented and rigorously outcome based.

A handwritten signature in red ink that reads "Ashok K. Chauhan". The signature is written in a cursive style with a horizontal line underneath the name.

**Dr. Ashok K. Chauhan**

Founder President  
Ritand Balved Education Foundation (RBEF)  
(The Foundation of Amity Institutions and the  
sponsoring body of Amity Universities)  
Chairman, AKC Group of Companies

## MESSAGE FROM CHAIRPERSON

I am a firm believer that the foundations of a strong nation, is always built on strong human values. It makes me happy to see Amity universe celebrate Human values Quarter that nurtures values like love, respect, humility, empathy and discipline in the youth today. I am confident that there is nothing stopping a nation nurtured with these human values from being a Super Power as envisioned by our Founder President, Dr Ashok K. Chauhan.

**Dr. (Mrs.) Amita Chauhan**  
Chairperson, Amity Humanity Foundation &  
Amity Group of Schools

## MESSAGE FROM CHANCELLOR

Human values are important for a meaningful life.

Each Amitian must imbibe virtues that create bonds of humanity, values of selflessness, passion and sensitivity, thereby contributing effectively towards a better society.

**Dr. Atul Chauhan**  
Chancellor, Amity University  
President, Ritnand Balved Education Foundation  
CEO, AKC Group of Companies

Amity has a high belief in importance of "Ethics and values" in a student's life and has been working towards imparting quality education while inculcating 'sanskars' (Human values) in students.

Inculcating Human values helps in holistic development of individuals and society at large. It is heartening to note that Amitians are involved in activities related to human values thus contributing to a meaningful life.

**Dr. Aseem Chauhan**  
Chancellor, Amity University Rajasthan  
Chancellor, Amity University Haryana  
Additional President, Ritnand Balved Education Foundation

## MESSAGE FROM VICE CHANCELLOR

"In order to lead a meaningful life, you need to cherish others, pay attention to human values and try to cultivate inner peace." -Dalai Lama

Values are guiding principles of our lives and are instrumental in inculcating positive attitude. Human values and ethics are the most sacred virtues for building a foundation of harmonious society and environment. The spheres of human values embrace peace, love and compassion for every human being. The art of giving, being an integral part of Indian culture & ethos, brings a lot of gratification and contentment.

Honorable Founder President, Dr. Ashok Chauhan, conceptualized Amity Human values Celebration to cultivate sense of responsibility towards Society, Environment and Nation among the students at Amity so that they excel in both their scholastic as well as social objectives. Under the able guidance and inspirational leadership of the Chairperson, Dr. (Mrs.) Amita Chauhan, Amity International Schools provides education and support to the unprivileged children for their upliftment and sustainability. Amity University has unwavering commitment towards inculcating sense of responsibility among the youth of the nation towards the community by extending unconditional care, especially to the deprived section of society through various initiatives.

Amity Human values Quarter-2019 has been a manifestation of human values activities undertaken by many students across Institutions at Amity University, UP, who touched the heart of community by their participation and involvement. 195 activities have been conducted during January - April 2019. I congratulate all the students for participating in the variety of community service activities in their own unique ways. There is no greater joy than making a difference in someone's life.

I extend my heartfelt congratulations to the team- AHVQ for compiling all the activities' information in the form of this Newsletter which I am sure will be a great source of information and inspiration for others towards community service and social welfare.

**Prof. (Dr.) Balvinder Shukla**

Vice Chancellor, Amity University Uttar Pradesh

## MESSAGE FROM PRO-VICE CHANCELLOR

Values are bridge between individual and society. They are the virtues that guide us to take into account the human element when we interact with other human beings. values are part and parcel of philosophy. The need for values education among the students is urgent and increasing as we continue to witness increasing violent activities, behavioural disorders and lack of unity in the society. It is important that in our culturally plural society education should factor universal and eternal values oriented towards the unity and integration of our people. It is against this background that the idea of Amity Human values Celebrations has been conceived by Honorable Founder President, Dr. Ashok K Chauhan with the aim to provide education as well as inculcate values and harness social skills among students.

Amity University, besides providing world class education, is driven by a deep passion for philanthropy and corporate social responsibility. Under the able guidance and inspirational leadership of Chairperson, Dr. (Mrs.) Amita Chauhan, Amity International Schools provides education and support to the unprivileged children for their upliftment and sustainability.

Amity Human values Celebration-2019 has provided the right platform to students to practice values in thought, words and deeds in order to fully manifest and reflect them in their attitude and behaviour. Around 195 activities have been conducted by the students in the community and a successful interaction has been developed interlinking the demands of society and students creating awareness, conviction & commitment to values.

It gives me immense pleasure to learn that AHVQ-2019 activities have been documented in the Newsletter which would motivate and inspire students towards community service and social welfare.

**Dr. Sunita Singh**  
Pro-Vice Chancellor  
Amity University, UP

## MESSAGE FROM CHAIRPERSON

Life is fulfilling when we work towards the cause of humanity with compassion and instill amongst students the desire to embrace human values in day to day life – an endeavour manifested at Amity University with inspiration from Dr. (Mrs.) Amita Chauhan, Chairperson, Amity International schools and the blessings of Dr. Ashok K Chauhan, Founder President, Amity Education Group. Amity Human values Quarter is a platform for Amitians to get an insight into ground realities, participate in community outreach activities with passion and internalize human values.

**Prof. (Dr.) Nirupama Prakash**  
Chairperson,  
Amity Human values Quarter, 2019

### Amity Human Values Quarter

The Amity Human values Quarter (popularly known as the AHVQ) is observed every year from 27th of January to 27th of April, to commemorate the birthday of Dr. (Mrs.) Amita Chauhan, Chairperson- Amity International Schools, and instills human values and ethics in all the students studying in the institutions affiliated to Amity University. Albert Einstein had once said, "Try not to become a man of success but rather, a man of values," and we at Amity University are firm believers of this principle. AHVQ is a forum for students to introspect and realize the importance of values and morals in our daily lives. It urges the students to take a break from their hectic academic schedule and daily chores to realign the priority directed to ethics.

The AHVQ comprises of meaningful and inquisitive events ranging from enriching debates to dance and other cultural performances and expert talks. The purpose of these events is to dawn upon a realization in the students taking part, making sure that they understand the nuances of how these ethics and morals play a major role in the way our life pans out.

In today's world, which is driven by a wave of liberalism, increasing the sort of expectation of empathy and tolerance from the members of the society, we feel that AHVQ directly caters to the core ethos of our University- to make its students ready for the professional world in all aspects, holistically. At Amity, students are not just incentivized to focus on how to become successful and prosperous in their respective lives. We strongly believe that overall development of a student cannot be achieved or completed until and unless they're well aware of the moral values and how they weigh in the society. The motto of Amity Human values Quarters is that every action committed by an individual should account for the moral and ethical, consistency and integrity.

Amity University has always been a forerunner in honing students to face the outside world and Amity Human values Quarter is one such initiative that remains exclusive to our prestigious University. It further emblazons our mark on the map whilst setting up an aspirational values and a standing example for other competing universities to look up to. We are proud of the rich history and tradition of the Amity Human values Quarter and sincerely hope that it continues to hold the same sort of relevance and importance for students of our university as it does now. This year, under the aegis of this meaningful umbrella, a total of 185 activities have been organized by twelve different domains at Amity University Noida Campus. Lucknow campus of the University has organized another 10 activities during this quarter.

### Domain Wise Reports of Events

#### 1. Faculty of Business Administration/Commerce/Management/Finance

##### Amity Business School

| S. No | Activity Type                 | Objective   | Outcome  | Date       | Venue   |
