The Amity Human Values Quarter (popularly known as the AHVQ) is observed every year from 27th of January to 27th of April, to commemorate the birthday of Dr. (Mrs.) Amita Chauhan, Chairperson- Amity International Schools, and instills human values and ethics in all the students studying in the institutions affiliated to Amity University. Albert Einstein had once said, “Try not to become a man of success but rather, a man of values,” and we at Amity University are firm believers of this principle. AHVQ is a forum for students to introspect and realize the importance of values and morals in our daily lives. It urges the students to take a break from their hectic academic schedule and daily chores to realign the priority directed to ethics.

Today, when the world is going through an outbreak of a pandemic and grappling to find solution to prevent the spread of an infectious disease (Covid -19), the importance of responsibility, humility, care, benevolence, and all other human values become more important. In these tough times, it is the values of an individual that help him sail through. This Year AHVQ activities comprised of online and offline events conducted during regular and lockdown time. These activities comprise of meaningful events ranging from enriching literary to cultural performances, expert talks and visit to schools of the less privileged. The purpose of these events is to dawn upon a realization that humanity is the biggest asset we can endorse to have a better world. Amity believes to create superhuman beings by amalgamating the world class education and Indian value system into Amitians. These activities include plays, drama, workshops, lectures, poster making competition, plantation drive, painting competition, quizzes, teaching underprivileged children, visits and donations to orphanages/old age homes/ blind schools, awareness on Clean-Green and Healthy environment at Villages, environmental cleanliness and awareness, women empowerment, gender equity etc. to spread around the importance of values in today's world

Values are beliefs that are inherent and inculcated with time. The possessor of these values will ensure and exhibit character of principles, standards, love, compassion, and qualities of great human being. This year we have tried to align the AHVQ activities with the values of Mulya Pravah, Unnat Bharat and gender equity.

The mentors of the AHVQ- 2021 are Prof. (Dr.) Balvinder Shukla, Vice Chancellor, AUUP and Dr. D. K. Bandyopadhyay, Chief Advisor FPO & Chairman, ALS, who have helped the students to understand and instill values and ethics in their personality and guided the committee members, domain and faculty coordinators to showcase their best. The core committee of AHVQ-21 is comprised of Dr. Nirupama Prakash, Director AISS-Chairperson, Dr. Gauri Chakraborty, Jt. Acting Head, ASCO and Dr. Alka Mudgal, Head, AIE.

NUKKAD NATAK “ VALUES FOR LIFE ”

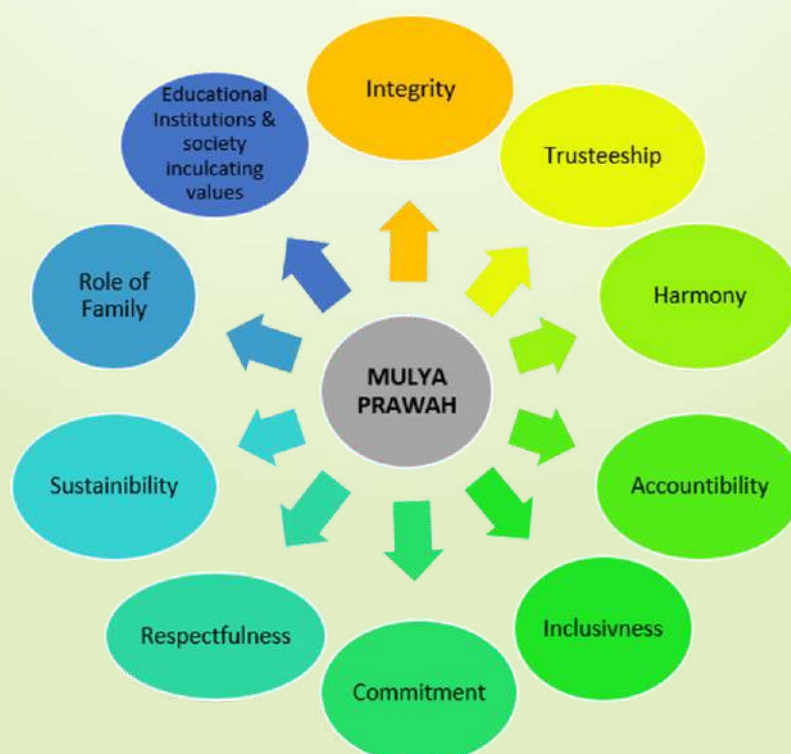

Mulya Pravah

For the progress and development of a civil society Human Values and Professional Ethics are inevitable. Higher Educational Institutions (HEIs) indeed have a responsibility to build a strong society. Therefore, there is a need to create high quality practices and environment backed with human values and professional ethics in Higher Educational Institutions (HEIs). Expert Committee constituted by UGC, after having detailed deliberations and consultations, has developed guidelines entitled “Mulya Pravah - Inculcation of Human Values and Professionals Ethics in Higher Educational Institutions”. The objective of the Mulya Pravah is:

- *To generate awareness of human values and social caring.*
- *To reinstate the rich cultural legacy and human values.*
- *To develop and enhance the sense of individual responsibility towards society.*
- *To act as an agent of social change for national development.*
- *To actively work for national integration and communal harmony.*
- *To encourage students to actively participate in scheme/ activities of national priorities and also harness use of technology in social good.*

WEBINAR ON SOFT SKILLS FOR RELATIONSHIP DEVELOPMENT

GENDER EQUITY

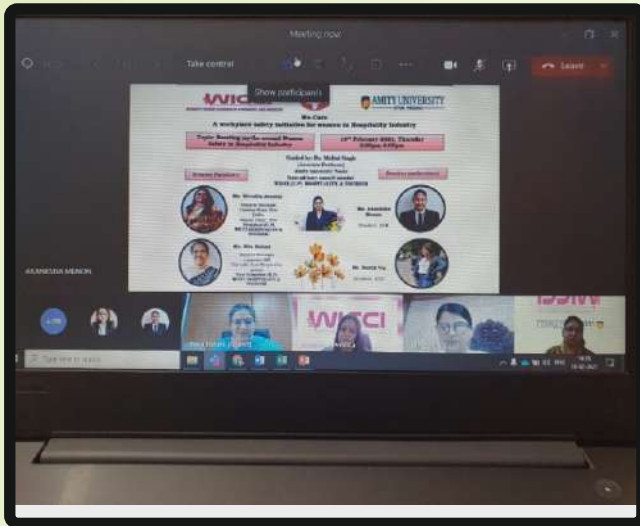

Gender Equity

Ministry of Women & Child Development regarding guidelines for Gender Champions in educational institutions. In order to promote gender equality, guaranteed by Article 15 of the Indian Constitution, need to change the mode of interaction at all levels - home, school, workplace and so on. To increase the outreach for creating an environment that fosters equal treatment, government of India envisages endangerment of Gender Champions in all schools and colleges across the country. Gender Champions can be both boys and girls above 16 years of age enrolled in educational institutions. It is a joint initiative of the Ministry of women and Child Development and Ministry of Human Resource Development.

The objective is to provide an integrated and interdisciplinary approach to understanding the social and cultural constructions of gender that shape the experiences of women and men in society. The aim is to make the young boys and girls gender sensitive and create positive social norms that value the girls and their rights.
