EVENT SUMMARY

The Amity Institution of Social Sciences organized a quiz competition called "Battle of Brains" as part of its International Women's Month celebrations.

Taking place on 2nd March 2022 and 4th March 2022, the event consisted of two parts- the qualifying round and the final round. It was organised by the student coordinator Satya Tiwari under the guidance of the faculty coordinator, Dr Sanajana Sharma Marwaha.

It was really delightful to see the huge number of participants who wanted to test themselves. The motive behind the quiz was to see how much aware the students were about the Wonder Women who had and has been leading India and the world.

EVENT OBJECTIVES

The competition was divided into 6 segments consisting of its own gravity-

1. History: The objective was to revive the glory of the past and the historical female figures of India
2. Politics: It is important to break the myth about politics in order to see the true capability of women who have done so much in order to bring growth to society.
3. General Knowledge: It is important to remind aware of the recent contributions of women the society, about their achievements, about their stories.
4. Art & Culture: The motive of this segment was to emphasise the contribution of females towards our culture which has become our pride. It also emphasised the rural Women's role.
5. Sports: Only men do not master sports the women can also be equal to them and even more than men sometimes. This topic shows how wonderfully women represent their capabilities and talents in sports as well.
6. Entertainment: Women are most popular in the entertainment industry but that isn't enough to show how far they have come. The movies, songs, everything has become an integral part of India and we as Indians should be proud of this.

The quiz included different topics to show how women can excel in every domain if given a chance.

EVENT HIGHLIGHTS

There were around 18 teams, each consisting of 2-3 members. The qualifying round conducted on 2nd March 2020, was held in MCQ form with the question paper given to all teams. The paper was divided into 6 segments and a total of 25 questions. The winners of the qualifying round were announced at the end of the competition.

The final round took place on 4th March 2020 and was organised in a traditional format. Each team was asked a question worth 10 points and a passed question worth 5 points.

A surprise around was added where the students had to speak for a 2mins on the topic 'Gender Equality today for a Sustainable Tomorrow'.
