EVENT OVERVIEW

The Community Outreach Programme was organised by Amity Institute of Social Sciences as a part of the of International Women's Month Celebrations.

The event was conducted on 26th February 2022 by student coordinators Aresh Chowdhury and Mohini Sahu under the guidance of the faculty coordinator, Dr. Sanjana Sharma Marwaha.

The team consisted of 19 student Volunteers who conducted various activities to engage with the kids and the adults living and working in the NGO.

The event turned out to be an eye opener for many and the volunteers returned home with a new perspective towards helping the needy.

We said some, we learnt some. All in all it was a very fulfilling experience. The day was concluded on a fun note : we danced, played games and clicked many photographs to remind us of the day.

OBJECTIVES & HIGHLIGHTS

The vision of the Outreach programme was to interact with the migrant workers and make them aware of the endless opportunities that the world has for them.

The Event included several Fun filled activities for the children like origami and art workshops, games that taught kids numbers and colours and cultural programmes for entertainment.

It also involved Volunteers discussing with the ladies about aspects such as sanitation, health and hygiene and with the men about the governmental policies regarding employment etc which they can utilise to improve their lives.

ACTIVITIES CONDUCTED

The outreach program began with an ice-breaking session of making the attendees comfortable.

Post this, Sanjna, Manika, Nihal, Mohini, Ishrita and Vyoma had a discussion regarding hygiene, education, sanitation and women's health.

Along with this, Dewanshu Singh, Pulkit Narwal and Sauhard Pandey shared information regarding economic and employment policies and opportunities available through government efforts.

The children were engaged in activities ranging from games like Ice and water to origami session and an artwork session organised by Kuberdita, Riya, Anwasha, Josaphin, Sumit and Khushi.

Photographs were taken by Asim and Vishruta.

LIST OF VOLUNTEERS

SEMESTER 2- Sociology Honors
