# EVENT SUMMARY

The event was held on the 28th Of February, 2022 at AISS. The event was celebrated in order to celebrate this divine month of International women's day. The event took place under the guidance of Dr. Sanjana Sharma Marwaha by the students of AISS. The objective behind conducting a cultural event is to give a message through art forms. It was important to justify the theme according to the event; women empowerment. The students at AISS firmly believe that one must break the Bias and fight for equal rights and respect.

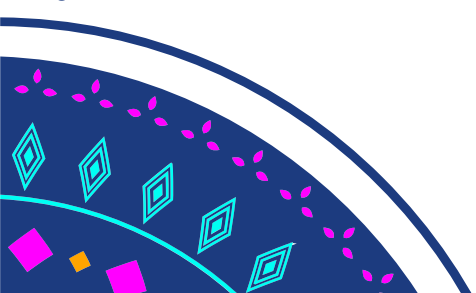

# EVENT OBJECTIVES

**Women Empowerment:** the main objective of the event was to portray and talk about the situation of women in society through cultural activities.

**Celebrated Womanhood:** Celebrating womanhood is essential as, it not only shows solidarity but the support that anyone can be empowered if she wishes to.

**Culture equals to message:** The event protracted the essence of being a woman through different cultural values, activities and art.

# EVENT HIGHLIGHTS

The event took place in LG 03 at 4:30 pm on the 28th of February. The event highlighted key points of women being empowered through poetry, dances, songs, and speeches.

Participants and Faculties highlighted the importance of women being self-reliant, independent and to be free from discrimination against women.

Women's day must not be celebrated on one specific day, but should be followed every day.
