# Event Overview

The photo exhibition was organized to visually celebrate a woman's life on the occasion of International Women's Month.

The theme of the exhibition was "Life of a woman in India". It was an extension of the storytelling competition.

The exhibition took place on 3rd March 2022 at Amity Institute of Social Sciences, K-block.

# Event Objectives

The purpose to conduct this exhibition was to highlight the vividness that a woman's life carries within India.

To remind everyone specifically women about the power that they hold in this world.

# Event Highlights

The exhibition took place in K-block from 1:30 pm till 3 pm. Photos were exhibited in room LG-02.

We had in total 15 photographs which exhibited a unique vision of an Indian woman's life. These 15 clicks were shared by 5 students of different departments from AISS.
