CONFERENCE THEME

Concept Note:

The concept of "Viksit Bharat" envisions a future where India is not just economically prosperous but also socially and environmentally sustainable. The fashion and textile industry, being one of the largest contributors to the Indian economy, plays a crucial role in this vision. Transitioning towards sustainable practices in this sector is essential for building a more resilient and future-ready Bharat.

Event Objectives:

- The conference seeks to unite prominent academicians, researchers, and scholars to exchange and share their experiences and research findings across various aspects of the fashion industry.
- It aims to explore the latest research and developments in the fields of Fashion and Textiles.
- The conference will host international delegates from different countries and share their knowledge and research outputs in the areas of Fashion & Textiles

THEME: *VIKSIT BHARAT*: Fashion & Textiles for Sustainable Growth & Development

The conference will mainly focus on the following areas. The list of topics is indicative, and research papers in related areas will be considered.

- Apparel manufacturing & Digital Technology Trends in Fashion
- Artificial Intelligence in Fashion and Textiles
- Circular Economy, Ethical Manufacturing and Waste Management in Fashion & Textiles
- Design, Development & Diversification in Fashion & Textiles
- Policy, Global Positioning and Exports in Fashion & Textiles for Viksit Bharat
- Skill Development and Education in Fashion & Textiles
- Strategy for Fashion Industry- Marketing, Merchandising & Communication
- Sustainability in Luxury Fashion
- Sustainable Fashion and Textiles for Viksit Bharat
- Sustainable Supply Chain Management for Fashion & Textiles
- Technical Textiles: Shaping the Future of the Textile World
