Campus Recruitment – 2016 Batch

(Only for Unplaced Foreign Language Students)

Website	:	www.amazon.in
Designation	:	Transaction Risk Investigator
Eligibility Criteria	:	Graduate & Post Graduate in Foreign Language
Date of Interview	:	5 th December 2015 at 10 am
Venue	:	D Block, 1 st Floor, Foreign Language Department

Job Responsibilities:

Amazon India is seeking dedicated, hardworking, analytical candidates with a proven track record of performance and results-oriented thinking, to join the Transaction Risk Management Team in Hyderabad. Candidates will be responsible for a wide range of duties related to the investigation and elimination of online ecommerce risk. Ideal applicants will have experience in the ecommerce payments space, previous trust and safety experience, and experience succeeding in a customer-driven workplace. All candidates will be analytical and capable of succeeding in a fast-paced team environment.

The Transaction Risk Investigator position relies on excellent judgment to plan and accomplish goals and will work under very limited supervision of the Manager. Excellent individual problem-solving and analytical skills are used to authenticate customers and complex transactions. Nearly all decisions are expected to be made independently with little to no guidance and a high degree of accuracy.

The Transaction Risk Investigator will be required to engage in frequent written and verbal communication with department management, risk analysts, risk engineers, other company associates and third-parties to accomplish goals. They may also be required to contact customers by phone.

Productivity and quality assurance will be evaluated along with the overall contribution to the development of the department.

My Best Wishes,

Prof. (Dr.) Ajay Rana
