

Debarred Notice for 2016 / 2015

We noticed that many students have not appeared many recruitment drives for various reasons due to which Juniors will be affected as the company will not consider them in coming year w.r.t Training , Recruitment and any engagement with the campus.

Now we have decided not to recommend their name in any company for future recruitment for all those who did not appear in past recruitment **if they are eligible or applied on our portal but not appeared in the process w.r.t Any - Stream / Campus / Reason** or not pick-up the phone.

We will not recommend their name in any company for further process and remove their names from our data base as unplaced students and treat them that they are not interested for Campus Recruitment.

If you have any queries please contact with your location CRC / Placement Head.
