

TechGig Code Wizards Campus Hunt

Agenda: Code Wizards is the biggest recruitment drive for final year Engineering and MCA students and designed to identify the best programmers and tech enthusiast students across India. The unique idea has been conceptualized by India's No. 1 platform for Techies - TECHGIG.com. Code Wizards 2016 gives a platform for all code junkies to showcase their coding talent. It gives coders:

1. "The Best Coder" recognition at the national level.
2. Opportunity to sharpen your edge by competing against the best of the league and win attractive prizes worth more than Rupees 4.2 Lakhs.
3. An opportunity to be interviewed by Top Tech companies.

The contest is open to coders for *10 different languages*. Take your pick from Java, C, C++, C#, VB.net, Java Script, Python, Perl, Ruby and PHP.

Prizes:

1. Top 5 scorers will be eligible to win the following:
 - 1st Prize – Rupees 1.5 Lakhs
 - 2nd Prize – Rupees 1 Lakh
 - 3rd Prize – Rupees 75000
 - 4th Prize – Rupees 50000
 - 5th Prize – Rupees 25000
2. Best Female Coder – The best female coder will get Rupees 25000.
3. Top 3 Colleges will get trophy and certificates.

Top 5 Companies(Shortlisted Candidates) from Code Wizards 2015.

1. BirlaSoft(1145)
2. Sapient(650)
3. Amazon(515)
4. Infosys(14)
5. Iris Software(5)

- (b) The contest is valid for student who is a resident of India only.
- (c) Engineering students of all streams are eligible to participate in Code Wizards.

Q: What are the dates of participations?

Key dates to watch out:

- Round 1: 18th July - 17th Aug 2016
- Round 2: 22nd Aug - 26th Aug 2016
- Results: 29th Aug 2016
- Shortlist and Hiring Process: 1st Sep Onwards

Q: How do I register for Code Wizards 2016?

A: Register yourself by submitting the complete [Registration Form](#).
(While registering, make sure you use the college code "CWDE12122".)

Q: Will I see my score immediately?

A: Yes, once you submit the code; you will see the score on the result page.

Q: How will I receive the next round confirmation?

A: We will send you an e-mail to confirm next-round or you can check the status on user dashboard.

Q: Which languages are available?

A: 10 different languages are available. You can take your pick from Java, C, C++, C#, VB.net., Java Script, Python, Perl, Ruby and PHP.

Q: Which compilers are used to compile different languages source code?

Language	Version
C	Gcc 4.4.5

C++	Gcc 4.4.5
C#	Mono JIT compiler version 2.6.7
Java	javac 1.6.0_20
PHP	PHP 5.3.3
Vb	Mono JIT compiler version 2.6.7
Python	Python 2.6.6
Perl	Perl v5.10.1
Ruby	ruby 1.9.2p0 (2010-08-18 revision 29036)
JavaScript	Rhino 1.7 release 2 2010 09 15
Objective-C	Gcc 4.4.5

Q: If I am selected in the Top 5, then when do I receive my prize?

A: If you have been selected in the Top 5, you will receive your prize within 90 days.

Q: How much time is allocated to solve coding problem in each category?

A: The coding problem in each category has following time limit in which you have to code and submit the solution – Total duration for solving MCQ and Coding problem is 3 Hours.
