| Package | : | 3.0 Lacs per annum |

Candidates need to prepare any one subject to teach at our centers from the following options:

- Physics
- Chemistry
- Mathematics
- Biology
- Accountancy
- Economics
- SST (Social Science)
- English

Our procedure for short listing students would include the following:

- A written test in English which would be mandatory for all candidates.
- A Subject knowledge test based on the subject they want to teach.
- Followed by which, we would shortlist students on the basis of their performance on the written tests, to appear for a Group Discussion.
- After conducting the Group Discussion, we would shortlist candidates for a round of Demo session and a Personal Interview, which would be conducted on a separate day.

Suitable Profile:

- Graduate / Post Graduate
- 0-2 yrs of prior teaching experience (prior teaching experience preferred not mandatory)
- Has an aggregate percentage of at least 60%, during Graduation
- Should have secured 80% in class 10th and 12th board exams
- Excellent communication Skills
- Ambitious

- Readiness to learn different pedagogical styles and use IT enabled techniques.
- Passion for teaching, patience and persistence are the most important criteria for this job.

Course of the programme (1 year of traineeship):

- Candidate will be hired as a Knowledge Trainee.
- Will have a probation period of one year (traineeship).
- During the traineeship, will be exposed to best teaching practices and methodologies (including subject knowledge training).
- Will also be given an opportunity to handle business roles after 3 years of association.

Role & Responsibilities:

- Teaching and mentoring for various courses
- Development of study material and teaching tools for effective learning
- Academic Performance Management and counseling of students
- Taking active part in select school initiatives of the company
- Giving lectures to potential students and help in their renewal
