

# TCS Coding Contest CodeVita

TCS in association with Performance Engineering Research Centre (PERC) is organizing a coding contest – Code Vita. The contest is open for all students of Amity irrespective of stream or pasout Batch. The students need to register and participate in team of two. The students can form teams with any other student from their institute, irrespective of batch\year.

**Eligibility Criteria** : Students from science and engineering background in any year of pass-out

**Prizes** : 1st Prize: INR 1,00,000 (INR 50,000 per team member)  
2nd Prize: iPad 2  
3rd Prize: Samsung Galaxy Tab 2

## Registration Process

- All candidates have to register on the TCS Campus portal.
- Step 1 - Log on to ([www.nextstep.tcs.com](http://www.nextstep.tcs.com))
- Step 2 - Click on Create Your Profile (New Users) .
- Step 3 - Click on Off Campus Applicants
- Step 4 - Fill the Registration Form
- Step 5 - Select your Institute
- Step 6 - In case the name of institute is not there, Select "Others" & write the college name manually.
- Step 7 - On successful submission of the Registration Form, a unique DT Reference Number will be displayed on the screen. You can use this DT Reference Number for any further communication with TCS.
- Step 8 - An e-mail with your TCS specific login credentials will be sent to you. Log into the Campus Portal with your login credentials.
- Step 9 - Click on Campus Commune - Register for Codevita
