About Ericsson	-	

Ericsson is a world-leading provider of telecommunications equipment and services to mobile and fixed network operators. Over 1,000 networks in more than 180 countries use their network equipment, and more than 40 percent of the world's mobile traffic passes through Ericsson networks. They are one of the few companies worldwide that can offer end-to-end solutions for all major mobile communication standards. Their networks, telecom services and multimedia solutions make it easier for people, across the world, to communicate. And as communication changes the way we live and work, Ericsson is playing a key role in this evolution. Using innovation to empower people, business and society, they are working towards the Networked Society, in which everything that can benefit from a connection will have one.
