ABOUT THE UNIVERSITY

Amity University Chhattisgarh, Raipur is a part of 20-year-old, leading education group of India, set up with a vision to contribute to nation-building through education, where currently 1,50,000+ students are pursuing 250 programmes across campuses in India and abroad. Amity University Chhattisgarh, Raipur is yet another landmark project by Amity to revolutionize the Indian higher education sector by providing globally benchmarked, research and employment-oriented education.

Established in 2014, Amity University Chhattisgarh, Raipur has rapidly gained recognition for its commitment to providing a world-class education and creating a stimulating learning environment. The university offers a wide range of undergraduate, postgraduate, and doctoral programs in various disciplines including management, engineering, law, commerce, arts, and social sciences.

FROM THE VICE CHANCELOR'S DESK

I am honoured and greatly privileged to be a part of Amity Universe and continue the ambitious strategy of addressing future challenges and opportunities to benefit our communities more broadly.

The founding philosophy of Amity Universe of 'Research & Innovation' driven university and the University is in "Pursuit of Vision-2025" adopted by various academic bodies is working for academic expansion and diversification by broadening the academic canvas on horizontal and vertical dimensions.

Careers in knowledge on campus have now been meeting the intellectual needs of society in the areas of languages, business education, legal education, media education, information technology education, science education, and other social sciences.

Amity University Chhattisgarh, Raipur, one of the youngest Universities, has strong global links, world-class research, and, most importantly, an educational portfolio that blends the best of campus and digital delivery into a highly supportive and personalised student experience.

Our graduates are intelligent, collaborative, and self-starters. Through our partnerships with universities and organisations all over the world, we provide our students with opportunities to develop a global mindset.

Amity University Chhattisgarh, Raipur works hard to build brand equity and provide leadership through differentiation in all of its intellectual pursuits. As a result, top priority is given to the development of contemporary relevant curriculum; meeting and exceeding various quality assurance benchmarks; developing a healthy academic governance structure; cutting edge curriculum management blended with updated research support across the globe.

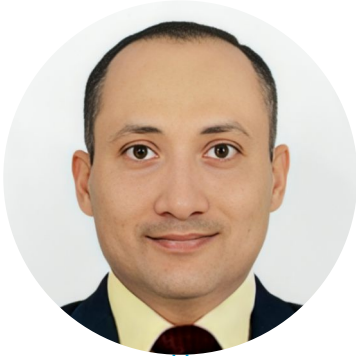

The University strives to achieve its mission by blending contemporary knowledge with skills and values in the true spirit of grooming high calibre thinkers; morally upright and physically sound citizens inspired with a proactive approach to take on challenges confronting today's society and prove productive individuals in an ever-changing knowledge society. The primary goal is to work for the betterment of humanity.

It is an honour to welcome you to Amity University Chhattisgarh, Raipur.

I wish you all a fulfilling and empowering journey ahead of you.

Prof. Piyush Kant Pandey
Vice Chancellor
(Amity University Chhattisgarh, Raipur)

FROM THE DESK OF THE DIRECTOR- CORPORATE RESOURCE CENTRE

Amity University Chhattisgarh, Raipur
It gives me immense pride and pleasure to present the Placement Brochure of Amity University Chhattisgarh, Raipur- a testament to our unwavering commitment to excellence in education, industry collaboration, and holistic student development.

At Amity, we believe that education must transcend the boundaries of the classroom. We aim to equip our students not just with academic knowledge, but also with the professional skills, values, and global perspective necessary to thrive in today's dynamic world. Our curriculum is industry-aligned, innovation-driven, and complemented by real-world exposure through internships, live projects, and continuous interaction with corporate leaders.

The Training & Placement Cell at Amity University Chhattisgarh, Raipur plays a pivotal role in bridging the gap between academia and industry. Through dedicated training programs, aptitude development, mock interviews, and strategic partnerships with industries, we ensure that our students are not only placement-ready but future-ready.

Our alumni today are making impactful contributions across a wide spectrum of industries- from technology to management, from public service to entrepreneurship. This legacy is built on a strong foundation of ethics, hard work, and the spirit of continuous learning that we nurture in every Amitian.

We are proud to present a vibrant pool of talent, innovation, and enthusiasm. I invite you to engage with our students and discover the potential they hold to contribute meaningfully to your organization's growth and success.
